Preface xv

1 Introduction 1
  1.1 Rising opportunities for industrial development in low-income countries 2
  1.2 Dominance of cluster-based industrial development 3
  1.3 Entrepreneurship as a key to successful industrialization 4
  1.4 What is Kaizen management? 6
  1.5 Why is Kaizen management so important? 8
  1.6 Applicability of Kaizen to SSA: Illustrated evidence from Ethiopia 9
  1.7 A brief review of randomized controlled trials in management training 11
  1.8 Our approach 12
  1.9 Structure of the book 13

Part I Management, Innovations, and Enterprise Growth 15

2 Innovation and Cluster Development 17
  2.1 Introduction 17
  2.2 Three types of industrial clusters 18
  2.3 Multifaceted innovations as key to success 22
  2.4 Illustrations from Asia 23
  2.5 Conclusions 36

3 Management and Innovations 37
  3.1 Introduction 37
  3.2 Managerial and technological capabilities 38
  3.3 Selected case studies 43
  3.4 Management training and dissemination 53
  3.5 Conclusions 57
Part II  Impacts of Management Training  

4 The Large but Varying Effects of Basic Management Training in a Metalworking Cluster in Kumasi, Ghana  
4.1 Introduction  
4.2 Location and management of MSEs  
4.3 Surveys and training program  
4.4 Basic statistics  
4.5 Estimation  
4.6 Conclusions  

5 Improved Performance of Small but Trained Firms in a Metalworking Cluster in Nairobi, Kenya  
5.1 Introduction  
5.2 Kariobangi Light Industries and the Kaizen training program  
5.3 Participation, attendance, and understanding  
5.4 Impacts of the training program  
5.5 Conclusions  

6 Effects of Classroom and On-site Training in a Metalworking Cluster in Addis Ababa, Ethiopia  
6.1 Introduction  
6.2 Data  
6.3 ITT effects in cross sections  
6.4 ITT effects in panel  
6.5 Conclusions  

7 Increasing Interests in Management Training in a Knitwear Village in Hatay, Vietnam  
7.1 Introduction  
7.2 Experimental setting and data  
7.3 Estimation methods  
7.4 Estimation results  
7.5 Conclusions  

8 Spillover Effects of Management Training in a Garment Cluster in Dar es Salaam, Tanzania  
8.1 Introduction  
8.2 Conversations about the training  
8.3 Test of the female underperformance hypothesis  
8.4 Conclusions
