Ideas in Marketing: Finding the New and Polishing the Old

Proceedings of the 2013 Academy of Marketing Science (AMS) Annual Conference

Monterey, CA, USA

May 15-18, 2013
# Table of Contents

## Customer Satisfaction and Loyalty in the Service Sector

**Customer relationships across search, experience and credence services**
Anastasia Stathopoulou, Birkbeck College, University of London, UK
George Balabanis, Cass Business School, City University, UK  

**Typology of moderators of the customer satisfaction—repurchase intention relationship: escape assistants and capture assistants**  
Birgit Leisen Pollack, University of Wisconsin Oshkosh, USA  

**Personality, satisfaction, and customer citizenship behaviors in an online shopping context**  
Nwamaka A. Anaza, Francis Marion University, USA  

**Embarrassment during social coupon-redemption in sit-down dining restaurants: antecedents and consequences**  
Chintorn Nakhata, University of South Florida, USA  

## Sales Process and Performance

**Salesperson profitability in relationship marketing**  
Saïd Echchakoui, University of Quebec in Abitibi-Témiscamingue, Canada  

**The effect of sales people, processes, and provisions on performance: the 4P-sales management model**  
Vijaykumar Krishnan, Northern Illinois University, USA  
Robert Peterson, Northern Illinois University, USA  
Mark D. Groza, Northern Illinois University, USA  

**Effects of job embeddedness on salesperson customer orientation: the roles of organization-based self-esteem and collectivism**  
Frederick Yim, Hong Kong Baptist University, Hong Kong  
Henry Fock, Hong Kong Baptist University, Hong Kong
Saying the right thing at the right time: the moderating role of career stage on the sales manager feedback – sales performance link
Edward Nowlin, Southern Illinois University, USA
Todd McClure, Southern Illinois University, USA

Social Media Branding & Human Brands
Embedding consumers – mediation of social media engagement effects on consumerbrand relationships
Julia Schamari, EBS Business School, Oestrich-Winkel, Germany
Tobias Schaefers, EBS Business School, Oestrich-Winkel, Germany

Korean consumer perspectives toward social media advertising and intention to join brand pages
Alexander Muk, Texas State University - San Marcos, U. S. A.
Christina Chung, Ramapo College of New Jersey, U. S. A.
Jonghoon Kim, University of Incheon, South Korea

If celebrities can do it, so can i: me, my celebrity and my brand an exploratory investigation of celebrity influence on online personal branding
Arne Baruca, Sacred Heart University, USA
Ebru Ulusoy, University of Maine, USA
Michael Minor, University of Texas – Pan American, USA

Online personal branding in the middle east and north america: a comparison of social capital accumulation and community response
Fathima Z Saleem, ESADE Business School, Universitat Ramon Llull, Spain
Oriol Iglesias, ESADE Business School, Universitat Ramon Llull, Spain

Social Consumption and the Self
Overconfidence and underconfidence in usage experience
Kamran Razmdoost, Cranfield School of Management, UK
Radu Dimitriu, Cranfield School of Management, UK
The score is not the music: practices and value in collaborative consumption contexts
Carol Kelleher, University College Cork, Ireland and Cranfield School of Management, United Kingdom
Hugh Wilson, Cranfield School of Management, United Kingdom
Joe Peppard, Cranfield School of Management, United Kingdom

Creative consumers cook up value in conversations
Marie Taillard, ESCP Europe Business School, UK
Alkmini Gritzali, ESCP Europe Business School, UK

Understanding Pricing & Consumer Behavior

The role of altruistic and egoistic motivations in pay what you want situations
Frank Huber, Johannes Gutenberg-University Mainz, Germany
Michael Lenzen, Johannes Gutenberg-University Mainz, Germany
Frederik Meyer, Johannes Gutenberg-University Mainz, Germany
Eva Appelmann, Johannes Gutenberg-University Mainz, Germany

The effects of price promotions on new and mature products
Sunhee Choi, Shippensburg University, U.S.A.
Wesley Friske, Texas Tech University, U.S.A.
Sangno Lee, Chonbuk National University, South Korea
James Wilcox, Texas Tech University, U.S.A.

Consumer Behaviour in Retail Settings

The role of product and emotional dissonance in retail returns
Thomas L. Powers, University of Alabama at Birmingham, USA
Eric P. Jack, University of Alabama at Birmingham, USA

“Man, i shop like a woman!” effects of gender and emotions on consumer shopping outcomes and perceptions of retail environments
Marcia Herter, Reims Management School, France
Cristiane Pizzutti dos Santos, Universidade Federal do Rio Grande do Sul, Brazil
Diego Costa, Reims Management School, France
Investigating consumer attitudes toward customized apparel: a look at uniqueness, involvement, apparel fit, and body size
Gina A. Tran, University of North Texas, United States of America

The impact of hassles and uplifts on stress, excitement and satisfaction in a retail setting
Marion Brandstaetter, Karl-Franzens-University Graz, Austria
Thomas Foscht, Karl-Franzens-University Graz, Austria
Florian Dorner, Karl-Franzens-University Graz, Austria
Cesar Maloles, California State University East Bay, USA

Sustainable Marketing

International research on business sustainability in business networks: current status and future studies
Göran Svensson, Oslo School of Management, Norway
Carmen Padin, Vigo University, Spain
Juan Carlos Sosa Varela, Universidad del Turabo, Puerto Rico
Bevery Wagner, Strathclyde University, UK
Daniel J. Petzer, North-West University, South Africa
HB Klopper, Monash University, South Africa
Nils M. Høgevold, Oslo School of Management, Norway

Sustainable initiatives: the antecedents of organizational learning and unlearning
Kelly L. Weidner, Dominican University of California, USA
Cheryl C. Nakata, University of Illinois at Chicago, USA

Ethical aspects of international product sourcing
Peter McGoldrick, Manchester Business School, United Kingdom
Verena Gruber, WU Vienna, Austria
Bodo B. Schlegelmilch, WU Vienna, Austria
Terry Newholm, Manchester Business School, United Kingdom
Changing Brand Perceptions

The influence of brand value, brand trust and brand attitude on brand attachment  
Nthabeleng Rammile, University of the Free State, South Africa

Controversial use of religious symbols in advertising  
Justina Gineikienė, Vilnius University, Lithuania  
Ignas Zimaitis, Vilnius University, Lithuania  
Sigitas Urbonavičius, Vilnius University, Lithuania

Role of anti-brand websites on brand image  
Mana Farshid, Lulea University of Technology, Sweden  
Leila Ashrafi, Lulea University of Technology, Sweden  
Åsa Wallström, Lulea University of Technology, Sweden  
Anne Engström, Lulea University of Technology, Sweden

A rhetorical perspective on quelling negative word-of-mouth  
Gavin L. Fox, Texas Tech University, USA  
Yulan Bai, Texas Tech University, USA  
Kyung Ah Byun, Texas Tech University, USA

Social marketing: Corporate and strategic perspectives

Marketing strategy in social enterprise organizations in canada:  
a structured abstract  
Alex Mitchell, Queens University, Canada  
Judith J. Madill, University of Ottawa, Canada  
Samia Chreim, University of Ottawa, Canada

Less buzz more action! patient empowerment = responsibility + adoption + involvement.  
Marzena Nieroda, University of Manchester, UK  
Debbie Keeling, Loughborough University, UK  
Kathleen Keeling, University of Manchester, UK
How to adopt social behavior to achieve efficient social marketing
Kuei-Feng Chang, Da-yeah University, Taiwan, R.O.C.
Hao-Wei Yang, Chaoyang University of Technology, Taiwan, R.O.C.

The influence of time orientation on personal finance behaviours
Daniel Rutledge, University of Lethbridge, Canada
Sameer Deshpande, University of Lethbridge, Canada

Political Marketing Theory: Targeting the Consumer Voter

Asymmetric political image effects and the logic of negative campaigning
Roger Mortimore, Ipsos MORI, UK
Paul Baines, Cranfield School of Management, UK
Rober Worcester, Ipsos MORI, UK

Julia Clark, Ipsos USA

Political party brand identity and brand image: an empirical assessment
Alessandro Bigi, Royal Institute of Technology - Stockholm, Sweden
Michelle Bonera, Università degli Studi di Brescia, Italy

Understanding choice behavior in political marketing context: a favorable voter responses model
Oguzhan Aygoren, Bogazici University, Turkey
Cengiz Yilmaz, Middle East Technical University, Turkey

Appearance management in political marketing: examining perspectives of local politicians and campaign workers
Minita Sanghvi, University of North Carolina Greensboro, USA
Nancy Hodges, University of North Carolina Greensboro, USA
Consumer Behavior Trends from a Latin American Perspective

Hispanics and green consumption: exploring the green “attitude-behavior gap” 99
Sigal Segev, Florida International University
Maria Elena Villar, Florida International University
Yu Liu, Florida International University

Consumers and companies on Facebook fan pages: an analysis of online communication strategies for small companies 100
Maria Carolina Zanette, Fundação Getúlio Vargas, Brazil
Benjamin Rosenthal, Fundação Getúlio Vargas, Brazil
Carla Abdalla, Fundação Getúlio Vargas, Brazil
Mateus Ferreira, Fundação Getúlio Vargas, Brazil
Eliane Pereira Zamith Brito, Fundação Getúlio Vargas, Brazil

The relationship between trust, value and loyalty in the internet era: a study in the tourism market 103
Karen Beatriz Haas Dornas, Universidade FUMEC, Brazil
José Marcos Carvalho de Mesquita, Universidade FUMEC, Brazil
Rachel Farias do Patrocínio, Universidade FUMEC, Brazil

AHoy THERE! ENSURING SUCCESSFUL RELATIONSHIPS

Branded flash mobs: why they fail 113
Philip Grant, KTH Royal Institute of Technology, Sweden
Edward Boon, KTH Royal Institute of Technology, Sweden

Refusal and interference of communication—analysis of the effects of a new phenomenon on customer relationships 116
Judith Schloffer, University of Graz, Austria
Thomas Foscht, University of Graz, Austria
Cesar Maloles III, California State University, East Bay, USA
Relationship maintenance through firm-initiated service delivery change: a process of proactive communication

R. Bret Leary, University of Wyoming, U.S.A.

Interactivity and psychological ownership in consumer value co-creation

Colleen P. Kirk, Mount Saint Mary College, USA
Scott D. Swain, Clemson University, USA

Green Consumer Behavior

What is waste? defining the concept of waste

Philip Sugai, International University of Japan, JAPAN
Lukman Aroean, Bournemouth University, UK

An analysis of the environmental claims made in international industrial advertisements

Leonidas C. Leonidou, University of Cyprus, Cyprus
Constantinos N. Leonidou, University of Leeds, UK
John S. Hadjimarcou, University of Texas at El Paso, USA
Irina Lytovchenko, Odessa National Economics University, Ukraine

Influence of buyer attitudes on the organization’s green buying

Michael Defty, 3M United Kingdom PLC, UK
Sarah Hong Xiao, University of Durham, UK
Gopalkrishnan Iyer, University of Durham, UK

Doctoral Colloquium Session 4: Strategic Issues

The effect of a country’s reputation, and country-of-origin on fdi attractiveness

Carlos Búrcio, ISCTE-IUL – Lisbon University Institute, Portugal

Customer empowerment and firm performance: benefits and potential harm

Valentin Chernikov, Graduate School of Management, St. Petersburg State University, Russia
Sergey Kushch, Graduate School of Management, St. Petersburg State University, Russia
Henrikki Tikkanen, Aalto University School of Business, Finland
The green machine: does being environmentally friendly pay off?
Amiee Nisius, Old Dominion University, United States
Michael Nisius, University of Maryland University College, United States

Market Orientation, Product Innovation, and Performance

Which is more important for innovation? what you know or how you share it within your firm?
H. Erkan Ozkaya, California State Polytechnic University- Pomona, U.S.
G. Tomas M. Hult, Michigan State University, U.S.
Roger Calantone, Michigan State University, U.S.
Cornelia Droge, Michigan State University, U.S.

The role of improvisation in new product creativity
Kyriakos Kyriakopoulos, ALBA Graduate Business School at The American College of Greece, Greece

Partly true and partly rhetorical: conceptualizing firm images of authenticity
Ian D Parkman, University of Portland, USA
Samuel S Holloway, University of Portland, USA

An empirical study to construct a systematic model for product bundles
Kuei-Feng Chang, Da-yeh University, Taiwan, R.O.C.
Hao-Wei Yang, Chaoyang University of Technology, Taiwan, R.O.C.

The influence of market orientation on firm performance: company and customer perspectives
Thomas L. Powers, University of Alabama at Birmingham, USA
Karen N. Kennedy, University of Alabama at Birmingham, USA
Richard, M. Shewchuk, University of Alabama at Birmingham, USA
Haiyan Qu, University of Alabama at Birmingham, USA
B2B Relationship Capabilities, Value and Benefits

Value co-destruction in complex B2B relations: conceptualization and mechanisms 153
Javier Marcos-Cuevas, School of Management, Cranfield University, UK
Daniel D. Prior, School of Business, University of New South Wales, Australia
Matias G. Enz, School of Management, Cranfield University, UK

A capability perspective on relationship ending and its impact on innovation and performance 154
Ghasem Zaefarian, University of Leeds, UK
Sebastian Forkman, Manchester Business School, UK
Maciej Mitrega, University of Economics in Katowice, Poland
Stephan Henneberg, Manchester Business School, UK
Peter Naude, Manchester Business School, UK

The role of relationship benefits in building brand equity in a B2B services environment 158
Brett Kilpatrick, Gordon Institute of Business Science, University of Pretoria, South Africa
Nicola Kleyn, Gordon Institute of Business Science, University of Pretoria, South Africa

The organization of marketing in B2B organizations 162
Geoffrey Bick, University of Cape Town, South Africa
Agit Singh, University of the Witwatersrand, South Africa

The effect of recession on B2B loyalty 166
Erzsébet Hetesi, University of Szeged, Hungary

Customer Satisfaction and Customer Service

Does all consumer retaliation have the same reason? the goals and emotions behind consumer retaliation 169
Patricia Rossi, Reims Management School, France
Cristiane Pizzuti dos Santos, Universidade Federal do Rio Grande do Sul, Brazil
Adilson Borges, Reims Management School, France
Determining customer outcomes by managing employee emotional display: a multilevel approach
Christin Voß, University of Münster, Germany
Thorsten Hennig-Thurau, University of Münster, Germany
Michael Paul, University of Augsburg, Germany

Reconciling the customer satisfaction – word of mouth relationship
Bodo Lang, The University of Auckland Business School, New Zealand

Compensation disclosure on product review blogs and persuasion with uncertainty
Mehdi Ghazisaeedi, Luleå University of Technology, Sweden
Esmail Salehi-Sangari, KTH- Royal Institute of Technology, Sweden
Åsa Wallström, Luleå University of Technology, Sweden

Advances in Mobile Marketing and Its Many Tentacles

Extending flow theory to mobile shopping
Esther Swilley, Kansas State University, USA
Kelly O. Cowart, Grand Valley State University, USA

The intention of the sales force to use mobile crm: model development and validation
Aarne Töllinen, University of Jyväskylä, Finland
Heikki Karjaluoto, University of Jyväskylä, Finland
Chanaka Jayawardhena, University of Hull, UK

Flood twittering: a marketing and public policy perspective through the lens of actor-network theory
Panom Gunawong, Chiang Mai University, Thailand
Theeranuch Pusaksrikit, University of the Thai Chamber of Commerce, Thailand

An exploratory study of consumer attitudes towards qr code reader applications
Selcuk Ertekin, Missouri Western State University, U.S.A.
Lou E. Pelton, University of North Texas, U.S.A.
Theories of Attitude, Memory, Love

Self discrepancy and consumption attitudes
Thuy D. Nguyen, University of North Texas, USA
Waros Ngamsiriudom, University of North Texas, USA

Thanks for the memories. towards a model of memorable service experiences
Rod McColl, ESC Rennes School of Business, FRANCE
Jan Mattsson, Roskilde University, DENMARK

Managerial aversion to ambiguity: a decision theory perspective with a note on innovation
Mayoor Mohan, Oklahoma State University, USA
Kevin E. Voss, Oklahoma State University, USA

Predicting business customer potential disloyalty and share of wallet: proposition of a new theory and moderating effects
Joël Le Bon, University of Houston, USA

Technology Application and Analyses In Retailing

From mobile phone to smartphone: what’s new about m-shopping?
Gérard Cliquet, University of Rennes 1 Graduate School of Management, France
Christine Gonzalez, University of Rennes 1 Graduate School of Management, France
Elodie Huré, University of Rennes 1 Graduate School of Management, France
Karine Picot-Coupey, University of Rennes 1 Graduate School of Management, France

Optimizing geofencing for location-based services: a new application of spatial marketing
Odile J. Streed, Offutt School of Business, Concordia College, Moorhead, MN, USA.
Gérard Cliquet, CREM, IGR-IAE, Université Rennes 1, France.
Albert Kagan, Offutt School of Business, Concordia College, Moorhead, MN, USA.

Customer-based corporate reputation: a study of supermarket customers
Nic S Terblanche, Stellenbosch University, South Africa
The influence of special occasions on the retail sales of women’s apparel
Elsa B. Nieves-Rodriguez, University of Puerto Rico, Puerto Rico
José J. Cao-Alvira, University of Puerto Rico, Puerto Rico
Myra Mabel Pérez, University of Puerto Rico, Puerto Rico

CROWD MARKETING FOR THE MARKETING CROWD

Social influence and customer loyalty in a collaborative community:
an exploratory study
Cheng-Chieh Hsiao, National Chengchi University, Taiwan
Jyh-Shen Chiou, National Chengchi University, Taiwan

The influence of online product review variance on consumer evaluations:
an examination of intrinsic and extrinsic cues
Ryan Langan, University Of South Florida, USA
Ali Besharat, University Of Denver, USA
Sajeev Varki, University Of South Florida, USA

Interactivity: does one size fit all?
Colleen P. Kirk, Mount Saint Mary College, USA
Larry Chiagouris, Pace University, USA
Vishal Lala, Pace University, USA
Jennifer Thomas, Pace University, USA

Consumer generated luxury brand communication on the internet
Anita Radón, University of Borås, Sweden

Doctoral Colloquium Session 1: Research Methods and Measurement

A new way to measure relationship learning
Xinchun Wang, Texas Tech University, USA
Investigating the impact of student samples on data quality and research outcomes
Jennifer A. Pelletier, University of South Florida, Tampa, FL
Nazuk Sharma, University of South Florida, Tampa, FL

Co-creation as a research method in B2C new product development
Lena Reimers, TU Dortmund University, Germany
Stefanie Paluch, TU Dortmund University, Germany

Targeting the New Consumer
Toward a theory of bubble psychology: current approaches and a consumer-level explanation
Richard J. Vann, University of Wyoming, USA

Subject to interpretation: individual managers' concepts of consumers during NPD
Sarah J.S. Wilner, Wilfrid Laurier University, Canada

Equity exchange theory: an explanation of prosocial consumption
Spencer M. Ross, University of Massachusetts Amherst, USA

Employee-brand ownership in customer service interactions
Adam J. Mills, Simon Fraser University, Canada
Anjali S. Bal, Dominican University of California, USA
Kirk A. Plangger, Simon Fraser University, Canada

Social marketing and social communication
The roles of mass media and personal information sources on adoption of pandemic vaccines
Sanjit Sengupta, San Francisco State University, USA
Hui-Ming (Deanna) Wang, San Francisco State University, USA
Alcohol warning statement effectiveness under different alcohol category conditions

Wade Jarvis, University of Western Australia
Simone Pettigrew, University of Western Australia
Doina Olaru, University of Western Australia

From crisis to control - all about communication?

Åsa Wallström, Lulea University of Technology, Sweden
Anne Engström, Lulea University of Technology, Sweden
Maria Ek Styvén, Lulea University of Technology, Sweden
Esmail Salehi-Sangari, Royal Institute of Technology, Sweden

Social marketing and social media: helping students discern the difference

Jane McKay-Nesbitt, Bryant University, USA
Srdan Zdravkovic, Bryant University, USA

An exploratory investigation of social responsibility in DTC advertising — evidence from outlier analysis

Kabir Chandra Sen, Lamar University, USA
Vivek S. Natarajan, Lamar University, USA
Avinandan Mukherjee, Montclair State University, USA

Entrepreneurship: Orientation, Planning and Performance

Startup accelerators: entrepreneurial match makers

Dhruv Bhatli, IRG, Université Paris Est, France
Paolo Borella, Boro Oy, Finland
Tawfik Jelassi, ENPC School of International Management, France
Nicolas Saillant, University of Warwick, United Kingdom

Is planning overrated? effectual marketing practices among silicon valley tech companies

Fabian Eggers, Menlo College, USA
Deborah Brown McCabe, Menlo College, USA
New product development performance: the interplay of entrepreneurial orientation and market orientation  
    Todd Morgan, Kent State University, United States  
    Sergey Anokhin, Kent State University, United States  
    Andrey Kretinin, Kent State University, United States  
    Johan Frishammar, Lulea University of Technology, Sweden

Complementary effects of entrepreneurial orientation, market orientation and network ties on performance of entrepreneurial firms in a developing economy  
    Nathaniel Boso, University of Leeds, United Kingdom  
    Vicky M. Story, University of Nottingham, United Kingdom  
    John W. Cadogan, Loughborough University and Lappeenranta University, United Kingdom  
    Ebenezer Ashie, Nestle Business Services - Africa, Ghana

Political Marketing: Lessons from North American Campaigning

Understanding the role of others’ preferences in voter decision making in us primary elections  
    Neil Bendle, Ivey Business School, Western University, Canada  
    Mihaela-Alina Nastasoiu, Ivey Business School, Western University, Canada

Marketing happiness in politics: strange bedfellows, but a winning presidential election framework?  
    Theresa Billiot, Cameron University, USA  
    T.F.J. Steyn, Cameron University, USA

A political marketing perspective on social media adoption by us congressional campaigns  
    Christine B. Williams, Bentley University, United States  
    Girish J. “Jeff” Gulati, Bentley University, United States
Marketing Communication in Social Media

Expressing consumer dissatisfaction online: antecedents and effects of negative WOM in social media
Oliver Cruz-Milan, University of Texas – Pan American, USA.

Social media game design: unintended effects on consumer choice
Richard C. Hanna, Northeastern University, USA
Scott D. Swain, Clemson University, USA

Online social networks: motivations and value co-creation
Carolyn ("Casey") Findley Musgrove, Indiana University Southeast, USA
Timothy Butler, The University of Alabama, USA
Yuna Kim, California State University Fullerton, USA

Are we locked in print? exploring consumer perceptions of digital versus print magazines
Anjala S. Krishen, University of Nevada Las Vegas, USA
Sheen Kachen, LHS, USA
Zeenath Haniff, University of Nevada Las Vegas, USA

Antecedents and consequences of users’ attitudes towards OSNS advertising: a conceptual framework
Caroline Lancelot Miltgen, University of Angers, France
Yolanda Jordaan, University of Pretoria, South Africa
Melanie Wiese, University of Pretoria, South Africa

Consumption and Health

The role of health-related product attributes, health concerns, and children’s age on attitudes and intentions toward organic food
Hyun-Joo Lee, Oklahoma State University, USA
Zee-Sun Yun, Western Michigan University, USA
How does positive mood moderate message framing effect on safety communication persuasiveness?

Sidney Su Han, University of Guelph, Canada
Karen Gough, University of Guelph, Canada
Lefa Teng, University of Guelph, Canada

Consumer characteristics, nutrition labels and dietary choices

Khaled Aboulnasr, Florida Gulf Coast University, USA

Probing determinants of intentions to purchase processed foods and soft drinks: explanation through mediation

Jeremy J. Sierra, Texas State University, United States
Harry A. Taute, Utah Valley University, United States
Anna M. Turri, Texas State University, United States

Marcio Mota, State University of Ceara, Brazil

Retail Staff Interaction and Outcomes
Enhancing contact employees’ fit with their environment and willingness to report service complaints
Achilleas Boukis, Strathclyde Business, School, UK
Giannis Kostopoulos, Bedfordshire University, UK
Ilianna Katsaridou, Strathclyde Business, School, UK
Kostas Kaminakis, Athens University of Economics and Business, Greece

Customer bargaining in retail settings: employee perspectives
Stephanie T. Gillison, University of Tennessee at Chattanooga, USA
William Magnus Northington, University of Alabama, USA
Sharon E. Beatty, University of Alabama, USA

Antecedents and consequences of climate for retail service innovation: a multilevel investigation
George D. Deitz, The University of Memphis, US
Emin Babakus, The University of Memphis, US

Retailer success: value and satisfaction
Kevin James, Indiana State University, USA
Barry J. Babin, Louisiana Tech University, USA
Adilson Borges, Reims Management School, France
Online Advertising and WOM

Consumer evaluations of video ads portraying human-like avatars 439
Fernando R. Jiménez, University of Texas at El Paso, USA
Bashar S. Gammoh, University of Toledo, USA
Rand Wergin, University of South Dakota, USA

Advances in Sustainable Supply Chain Management

Achieving triple bottom-line performance in sustainable supply chains:
explicating the role of capabilities 440
Karthik N. S. Iyer, University of Northern Iowa, U.S.A.
Huyen Ngo, University of Northern Iowa, U.S.A.

Sustainable purchasing in the retail industry: a model of environmentally
responsible purchasing 441
Kaveh Peighambari, Lulea University of Technology, Sweden
Mehdi Amini, The University of Memphis, USA
Esmail Salehi-Sangari, Royal Institute of Technology, Sweden

Environmentally and socially responsible buyer supplier relationship
management 445
Arash Kordestani, Lulea University of Technology, Sweden
Mehdi Amini, The University of Memphis, United States
Esmail Salehi-Sangari, Royal Institute of Technology (KTH), Sweden

International Marketing Strategy

Antecedents and consequences of marketing and innovation competence:
does orientation matter? 447
H. Erkan Ozkaya, California State Polytechnic University- Pomona, U.S.
G. Tomas M. Hult, Michigan State University, U.S.
Roger Calantone, Michigan State University, U.S.
Cornelia Droge, Michigan State University, U.S.
The journey from market orientation to new product performance in foreign markets: a knowledge and learning perspective

Mike Chen-Ho Chao, William Paterson University, U.S.A.
Shan Feng, William Paterson University, U.S.A.
Fuan Li, William Paterson University, U.S.A.

Multiple sales channel strategy and performance: the moderating role of international experience and globalization potential

Mika Gabrielsson, University of Eastern Finland, Finland
Peter Gabrielsson, University of Vaasa, Finland
Tomi Seppälä, Aalto University, Finland

The role of conflict resolution strategies and power in the conflict-export performance relationship

Gregor PFAJFAR, Faculty of Economics, University of Ljubljana, Slovenia
Maja MAKOVEC BRENČIČ, Faculty of Economics, University of Ljubljana, Slovenia
Aviv SHOHAM, Graduate School of Management, the University of Haifa, Israel

Doctoral Colloquium Session 3: B2B Issues

A framework for examining international students’ recruitment from B2B relationship perspective

Xu Huang, School of Business, University of the West of Scotland, United Kingdom
Pravin Balaraman, School of Business, University of the West of Scotland, United Kingdom
Heather Tarbert, School of Business, University of the West of Scotland, United Kingdom

Stealing the show? how the salesperson affects the industrial brand management

Jasmin Ulrich, TU Dortmund University, Germany
Markus Blut, Newcastle University Business School, United Kingdom

Predictors of franchisee performance: the role of communication, conflict and satisfaction

Yi-Chia Wu, University of Texas-Pan American, USA
