CHAPTER 3—CONTINUITIES AND TRANSFORMATIONS IN THE EVOLUTION OF WORLD-SYSTEMS

Christopher Chase-Dunn

THE COMPARATIVE EVOLUTIONARY WORLD-SYSTEMS PERSPECTIVE...... 60
TIME HORIZONS ............................................................................. 63
50,000 YEARS .............................................................................. 64
5,000 YEARS ............................................................................... 65
500 YEARS .................................................................................. 66
TRANSFORMATIONS BETWEEN MODES ............................................ 67
STAGES OF WORLD CAPITALIST DEVELOPMENT:
SYSTEMIC CYCLES OF ACCUMULATION ........................................ 68
ECONOMIC GLOBALIZATION .............................................................. 69
The Financial Meltdown of 2007-2008 ............................................. 71
The World Revolution of 20xx ....................................................... 72
The Pink Tide .............................................................................. 73
The Meltdown and the Countermovements ................................. 77
The Arab Spring ............................................................................ 78
CONCLUSIONS ............................................................................. 79
ACKNOWLEDGEMENT .................................................................. 80
REFERENCES ................................................................................ 80

CHAPTER 4—GEOPOLITICAL CONDITIONS OF INTERNATIONALISM, HUMAN RIGHTS, AND WORLD LAW

Randall Collins

THE MILITARY-CENTERED GEOPOLITICAL THEORY OF STATE POWER .................................................. 90
THE GEOPOLITICS OF WAR IN AFGHANISTAN, IRAQ, AND PAKISTAN ........................................ 93
THE GEOPOLITICS OF INTERNATIONAL COALITIONS ................................................................. 98
STATE BUREAUCRATIZATION AS BASIS FOR RULE OF LAW .................................................................. 100
SOCIAL CONDITIONS FOR EXPANSION OF WORLD LAW .......................................................... 105
REFERENCES ............................................................................... 107
CHAPTER 5—CONTEMPORARY GLOBALIZATION AND NEW CIVILIZATIONAL FORMATIONS

Shmuel N. Eisenstadt

INTRODUCTION ................................................................. 112
CHANGES IN THE INTERNATIONAL ARENAS AND IN
THE CONSTITUTION OF HEGEMONIES .............................. 114
INTERCIVILIZATIONAL SETTINGS—
ANTI-GLOBALIZATION MOVEMENTS AND TRANSFORMATION
OF MOVEMENTS AND IDEOLOGIES OF PROTEST .................. 115
REFERENCES ..................................................................... 121

CHAPTER 6—THE 'RETURN' OF RELIGION AND THE CONFLICTED
CONDITION OF WORLD ORDER

Roland Robertson

INTRODUCTION .................................................................. 124
THE PROBLEM OF DISCIPLINARITY .................................. 125
CONCLUSION ...................................................................... 132
REFERENCES ..................................................................... 133

CHAPTER 7—CULTURE AND THE SUSTAINABILITY OF THE
GLOBAL SYSTEM

Ervin Laszlo

THE CULTURAL ROOTS OF THE UNSUSTAINABILITY OF THE
CONTEMPORARY WORLD .................................................. 138
The Strands of Unsustainability ........................................ 139
THE NEED FOR CULTURAL MUTATION .............................. 144
GROUND RULES FOR HARMONIZING THE DIVERSITY OF THE
CONTEMPORARY WORLD .................................................. 144
REFERENCES ..................................................................... 146
CHAPTER 11—GREAT POWER POLITICS FOR AFRICA'S DEVELOPMENT: AN OVERVIEW ANALYSIS OF IMPACT OF THE EU'S AND CHINA'S COOPERATION WITH THE CONTINENT

Zinsé Mawunou and Chunmei Zhao

INTRODUCTION ................................................................. 214
COOPERATION WITH AFRICA: STRATEGIES FROM THE EU AND CHINA .... 214
Introductory Background of Conventions and Agreements
between the EU and Africa .................................................. 214
Chinese Strategy of Cooperation with Africa ............................... 220
The Evolution of Sino-African Development Cooperation,

The United States of America ................................................... 243
ENTERPRISE ARCHITECTURE MANAGEMENT (EAM) AS AN
I.T. DISCIPLINE .................................................................. 244
Conceptual and Historical Dimension of the Term EAM ............... 244
Architecture Frameworks as an Auxiliary ..................................... 245
THE RELATIONSHIP BETWEEN THE SINGLE WINDOW CONCEPT AND
ENTERPRISE ARCHITECTURE .............................................. 245
SWIF and TOGAF ADM ...................................................... 246
Overview of SWIF Methodology .............................................. 246
Integrating Security into a Single Window System ......................... 248
CONCLUSION ..................................................................... 249
REFERENCES ...................................................................... 250
CHAPTER 18—WILL THE GLOBAL CRISIS LEAD TO GLOBAL TRANSFORMATIONS?

Leonid Grinin & Andrey Korotayev

GLOBAL CHARACTERISTICS OF THE CRISIS AND THE NECESSITY OF CHANGES ...................................................................................................................... 366
  1. Global Causes of the Global Crisis ................................................................ 367
  2. Why Have Classical Features of Previous Economic Crises
     Manifested in the Current Crisis? ................................................................. 369
  3. Financial Speculation: Does It Have a Positive Side? ............................ 371
  4. Financial Currents as the World Pension Fund? ....................................... 374
  5. Feeling of the Necessity of Changes ......................................................... 381

ON THE POSSIBLE WAYS OF WORLD SYSTEM DEVELOPMENT .............. 385
  1. Change of Leadership or a Fundamental System Modification? ........... 385
  2. Hypothetical and Real Alternatives ......................................................... 390
  3. Will the Deficit of Global Governance and
     World Fragmentation Increase? ............................................................... 394
  4. The Epoch of New Coalitions and Sovereignty Transformation .......... 396
