Technology and Labour 109

Introduction 109
Technology 110
Technology: determinant or choice? 111
Technology and strategy 112
Information and communications technology 114
Electronic commerce 118
Technology change, jobs and people 122

Labour 130
Employment trends 130

Globalization and labour market mobility 135
Trade unions 137
Summary 140
Discussion questions 141
Further reading 142

5 Cultural and Institutional Frameworks 143

Introduction 143
Theoretical Overview 144
Convergence 145
Implications of convergence for managers 147
The limits of convergence 147
Approaches Based on Diversity 148
Culture 149
Defining culture 149
The World Values Survey 158
The implications of cultural diversity for managers 159
Institutional Frameworks 161
The business systems model of Whitley 161
The Anglo-Saxon model 162
The social market model 163
The Asian model 164
Varieties of capitalism: Liberal versus coordinated market economies 165
A convergence on Anglo-Saxon capitalism? 167
Institutional frameworks: Some conclusions 167
Japan: Convergence and Diversity 168
Convergence 168
Cultural explanations 169
Institutional explanations 169
Summary 175
Discussion questions 175
Further reading 176

PART TWO ORGANIZATIONAL AND STRATEGIC CONTEXTS

6 Organizational Aspects of Business 181

Introduction 182
Goals 182
The nature of goals 183
7 Management and Leadership 237

PART THREE  THE ACTIVITIES CONTEXT

10 Innovation 351

Introduction 352
Identifying the Concepts 353
   Invention and innovation 353
   Research and development 354
Types and Scope of Innovation 356
   Types of innovation 356
   The scope of innovation 357
Expenditure on Research and Development 359
Entrepreneurship 363
   What is entrepreneurship? 364
Environmental Aspects of Innovation 367
   The role of the economy 367
   Problems of linking innovation and performance 369
   The role of the state 371
   Problems with state intervention in innovation 373
   National and cultural differences 373
   Innovation and technology 377
Organizational Aspects of Innovation 378
   Organizational size and goals 379
   Innovation and organization structure 381
   The role of organization culture 384
Innovation and Management Strategies 384
   Types of strategy 384
   Integration: strategy, structure and culture 387
   Constraints to effective innovation strategy 388
Summary 393
Discussion questions 394
Further reading 395

11 Operations 397

Introduction 398
Identifying the Operations Function 399
   Differences between manufacturing and non-manufacturing industries 400
   Conflicting objectives and changing solutions 401
   The relationship between operations and other functional areas 403
   The Main Activities of Operations Management 407
   The design of operations systems 408
   Operations planning and control 412
   Operations and the Environment 423
   Operations, the economy and the state 423
   Operations and technology 424
   Organizational Aspects of Operations 425
   Operations and organization size 425
   Operations and organization structure 426
   Operations Strategies 426
   Approaches to operations strategy 428
   Lean production 429
Summary 435
Discussion questions 436
Further reading 437

12 Marketing 439

Introduction 440
Definitions and Orientations 440
   Marketing in different contexts 443
   The Elements of Marketing 446
   Market Research, Segmentation, Targeting and Positioning 446
   Market research 446
   Segmentation, targeting and positioning 448
   Branding 451
   Types of brand 452
   Co-branding 453
   The reasons for branding 454
   Global brands 455
   The critics of branding 456
   Product, Price, Promotion and Place (the 4Ps) 457
   The product 460
   Price 463
   Advertising 466
   Place 470
   Customer service and the 7Ps 471
   Buyer Behaviour 472
   Environmental Aspects of Marketing 474
   Marketing and the economy 474
   Marketing and the role of the state 475
   Consumerism 477
13 **Human Resource Management** 501

**Introduction** 502
- Defining HRM 502
- What are the activities of HRM? 505
- How HRM is performed 506

**Employee Resourcing** 508
- Recruitment and selection 508
- Equal opportunities and diversity 512
