# TABLE OF CONTENTS

**Preface**  XV  
**Introduction**  xxii  

## Chapter 1 UNDERSTANDING ECONOMIC SYSTEMS  1

- Three Dimensions of Economic Systems  5  
  - The Economy  6  
  - The Polity  7  
  - Civil Society  8  
- Determinants of Economic Systems  9  
  - Geography  9  
  - History  10  
  - Technology  10  
  - Economic Institutions  10  
  - Political Institutions  10  
  - Cultural Institutions  11  
  - The Distribution of Power  11  
  - Collective Action  11  
- Institutional Change and Economic Systems  11  

## Chapter 2 ASSESSING ECONOMIC SYSTEMS  16

- Criteria for Assessing Economic Systems  16  
  - Prosperity  16  
  - Freedom  17  
  - Justice  17  

v
Stability 17
Peace 18
Sustainability 18
Human Development 18
Democracy 18
How Economic Systems Succeed 18
The Successful Economy 19
The Successful Polity 23
The Successful Civil Society 25
How Economic Systems Fail 27
Failure of the Economy 27
Failure of the Polity 30
Failure of Civil Society 30

Chapter 3 MARKET-CENTERED ECONOMIC SYSTEMS 33

Market-Centered Economic Systems in History 33
Markets Before Capitalism 33
The Rise of Capitalism 35
Varieties of Capitalism 38
Potential Strengths of the Market 40
Prosperity 40
Freedom 41
Justice 42
Stability 43
Peace 43
Sustainability 44
Human Development 44
Democracy 44
Potential Weaknesses of the Market 45
Reduced Prosperity 45
Limited Freedom 52
Injustice 52
Instability 54
Social Conflict 57
Lack of Sustainability 58
Restricted Human Development 59
Erosion of Democracy 60
Conclusion 61
Chapter 4  STATE-CENTERED ECONOMIC SYSTEMS  65

States and Economic Systems  65
Culture  66
Constitution  66
Distribution of Power  66
Quality of Leadership  66
Quality of Democracy  67

State-Centered Economic Systems in History  67
Early Empires  67
Mercantilism  68
Fascism and Communism  71
Socialism  73

Potential Strengths of the State  75
Prosperity  75
Freedom and Justice  76
Stability  78
Peace  80
Sustainability  80
Human Development  81
Democracy  81

Potential Weaknesses of the State  82
Reduced Prosperity  82
Limited Freedom  84
Injustice  84
Instability  84
Social Conflict  85
Lack of Sustainability  86
Restricted Human Development  86
Erosion of Democracy  87
Conclusion  88

Chapter 5  COMMUNITY-CENTERED ECONOMIC SYSTEMS  92

Community-Centered Economic Systems in History  93
Primitive Tribes  93
Feudalism  94
Social Anarchism  97
Potential Strengths of Community 98
  Prosperity 99
  Freedom 100
  Peace and Justice 102
  Sustainability 103
  Human Development 104
  Democracy 105
Potential Weaknesses of Community 106
  Reduced Prosperity 106
  Limited Freedom 108
  Social Conflict 108
  Lack of Sustainability 110
  Restricted Human Development 111
  Erosion of Democracy 111
Conclusion 112
  Community Development Grants 112
  Social Benefits 113
  Laws and Regulations 113
  Selective Stimulus 113
  The Principle of Subsidiarity 113

Chapter 6  THE US ECONOMIC SYSTEM 116

  Competitive Capitalism 1815–1896 116
    Constitutional Government 117
    Private Enterprise 118
    Unorganized Labor 119
    Culture 120
    The Demise of Competitive Capitalism 121
  Organized Capitalism 1897–1932 123
    Trusts 123
    Organized Labor 124
    Expanding Government 125
    The Demise of Organized Capitalism 126
  Regulated Capitalism 1933–1979 127
    The New Deal 127
    Keynesian Economics 128
    The Capital-Labor Accord 129
    The Business-Government Accord 130
Table of Contents

The Citizen-Government Accord 130
Bretton Woods 130
Culture 131
The Demise of Regulated Capitalism 132

Neoliberal Capitalism 1980–2008 135
Monetarism 135
New Classical Economics 135
Supply-Side Economics 136
Deregulation 137
Privatization 137
Stronger Businesses 137
Weaker Labor 138
Social Policy 138
Culture 138
The Demise of Neoliberal Capitalism 139

A New Direction? 142

Chapter 7  THE BRITISH ECONOMIC SYSTEM  146

Competitive Capitalism 1800–1932 147
The Industrial Revolution 147
Unorganized Labor 148
Free Trade 149
The British Empire 150
Culture 150
The Demise of Competitive Capitalism 150

Welfare Capitalism 1932–1978 153
The Welfare State 153
Nationalization of Industry 154
Organized Labor 154
Stop-Go Cycles 155
Incomes Policy 155
Indicative Planning 156
Culture 157
The Demise of Welfare Capitalism 157

Neoliberal Capitalism 1979–1996 158
Privatization 159
Monetarism 159
Tax Reform 160
Chapter 8  THE FRENCH ECONOMIC SYSTEM  165
State Capitalism 1815–1944  169
Industrial Policy  169
Unorganized Labor  170
Culture  170
The Demise of State Capitalism  171
Planned Capitalism 1945–1982  172
Industrial Policy  173
Organized Labor  174
Culture  175
The Demise of Planned Capitalism  175
Industrial Policy  178
Works Councils  178
Social Policy  179
Culture  179
The Demise of Welfare Capitalism  180
A New Direction?  181

Chapter 9  THE GERMAN ECONOMIC SYSTEM  184
State Capitalism 1871–1932  185
Developmental State  186
Cartels  187
Organized Labor  187
Social Policy  188
Culture  189
The Demise of State Capitalism  189
German Fascism 1933–1945  191
The Nazi Party  191
Economic Planning  192
Culture  192
The Demise of German Fascism  193
Chapter 10  THE SWEDISH ECONOMIC SYSTEM  208
Organized Capitalism 1870–1931  209
  The Demise of Organized Capitalism  210
Welfare Capitalism 1932–1991  211
  Organized Labor  212
  The Rehn-Meidner Model  213
  Large Corporations  214
  Social Policy  214
  Culture  215
  The Demise of Welfare Capitalism  216
A New Direction?  221
  Taxes  221
  Government Spending  222
  Social Benefits  222
  The Meidner Plan  222
  Industry-Level Labor Negotiations  222
  Financial Reform  222

Chapter 11  THE RUSSIAN ECONOMIC SYSTEM  226
Pre-Communist Russia 1721–1916  226
  The Demise of the Russian Empire  227
Soviet Communism 1917–1991  229
  War Communism  229
  The New Economic Policy  229
  Central Planning  230
  The Nomenklatura  232
Chapter 12  THE CHINESE ECONOMIC SYSTEM  244

Pre-Communist China 1644–1948  244
  Weaknesses of the Chinese Empire  245
  The Demise of the Chinese Empire  246
Chinese Communism 1949–1978  248
  The Great Leap Forward  249
  The Great Proletarian Cultural Revolution  250
  Culture  250
  The Demise of Chinese Communism  251
State Capitalism 1979–Present  251
  Transition from Communism to Capitalism  251
  Agricultural Reforms  253
  Township and Village Enterprises  253
  Privatization  254
  State-Owned Enterprises  255
  Special Economic Zones  255
  Financial Reforms  256
  Trade Policy  257
  The Chinese Communist Party  258
  Social Policy  258
  Culture  260
  Capitalism or Socialism?  260

Chapter 13  THE JAPANESE ECONOMIC SYSTEM  264

Organized Capitalism 1868–1935  265
  Zaibatsu  265
  Organized Labor  265
Developmental State 266
Imperialism 267
Culture 268
The Demise of Organized Capitalism 268
Japanese Fascism 1936–1945 269
The Demise of Japanese Fascism 269
Planned Capitalism 1946–1990 270
The American Occupation 270
Keiretsu 271
Cooperative Labor 271
Industrial Policy 273
Social Policy 277
Culture 277
The Demise of Planned Capitalism 278
A New Direction? 280
More Flexible Labor Markets 280
Less Planning 281
Abenomics 281
Cultural Changes 282

Chapter 14  NEWLY INDUSTRIALIZING ECONOMIC SYSTEMS: BRAZIL, INDIA, IRAN, AND SOUTH KOREA 283

Brazil 285
Early History 285
Independence in the Nineteenth and Twentieth Centuries 285
Brazil in the Twenty-First Century 289

India 290
Early History and Caste System 290
India Under British Rule 291
The Emerging Independence Movement and Gandhi 292
India in the Twenty-First Century 294

Iran 296
Early History 296
Modernization in the Twentieth Century 297
The Islamic Revolution 298
Iran's Economy Today 300
South Korea 301
  Early History of Korea 301
  Colonization by Japan 302
  World War II and the Partition of Korea 302
  The Park Regime 304
  1980s Reforms and the Dominance of Chaebol 305
  South Korea in the Twenty-First Century 307

Chapter 15 GLOBALIZATION AND ECONOMIC SYSTEMS 310
  The History of Globalization 310
    Technological Progress 311
    The End of Communism 312
    Deregulation 312
  Potential Strengths of Globalization 313
    Prosperity 313
    Freedom 314
    Justice 314
    Stability 315
    Peace 315
    Sustainability 315
    Human Development 316
    Democracy 316
  Potential Weaknesses of Globalization 316
    Reduced Prosperity 317
    Limited Freedom 317
    Injustice 318
    Instability 320
    Social Conflict 322
    Lack of Sustainability 323
    Restricted Human Development 323
    Erosion of Democracy 324
  Conclusion 325
    Revitalizing Communities 326
    Strengthening Nations 327
    Regulating the Global Economy 328
