Table of Contents by Volume

Preface ......................................................................................................................... xliv
About the Editor ............................................................................................................. xlvi

Volume I

Category: E-Commerce Business Models

Business Model Renewal for Manufacturing Firms and Emerging Technologies ............ 1
  Rebecca De Coster, Brunel University London, UK

Creating Business Opportunities Using Business Model Innovation Method to Enhance Online Knowledge Trading ........................................................................................................... 13
  Tsung-Yi Chen, Nanhua University, Taiwan
  Yuh-Min Chen, National Cheng Kung University, Taiwan

The E-Business Model Generator ................................................................................... 26
  Tobias Kollmann, University of Duisburg-Essen, Germany
  Simon Hensellek, University of Duisburg-Essen, Germany

The Evolution of Intermediaries in E-Commerce ............................................................. 37
  Nirvikar Singh, University of California, Santa Cruz, USA

Intermediaries in E-Commerce ..................................................................................... 48
  Sergey Yablonsky, St. Petersburg University, Russia

Online Dating: A Need for Regulation Regardless of Business Model .......................... 74
  Margaret Jackson, RMIT University, Australia
  Marita Shelly, RMIT University, Australia
  Mohini Singh, RMIT University, Australia

Towards a Typology of Business Models for NFC-Based Mobile Payment Services .......... 87
  Faouzi Kamoun, Zayed University, UAE
Virtual Communities: Towards an Extended Typology

_Arunasalam Sambhanthan, Curtin University, Australia_
_Alice Good, University of Portsmouth, UK_

**Category: E-Commerce Management**

An Account of B2B E-Commerce Perseverance and Success

_John Wang, Montclair State University, USA_
_Jeffrey Hsu, Fairleigh Dickinson University, USA_
_Sylvain Jaume, Saint Peter's University, USA_

Advances in E-Recruiting: Sources, Opportunities, and Challenges

_In Lee, Western Illinois University, USA_

A Chronicle of an Unsuccessful E-Commerce Pioneer

_John Wang, Montclair State University, USA_
_James Yao, Montclair State University, USA_
_Ruben Xing, Montclair State University, USA_

Cybersecurity: What Matters to Consumers – An Exploratory Study

_Sanjukta Pookulangara, University of North Texas, USA_

The Development of E-Commerce Management for the Book Industry

_Vanessa Ratten, La Trobe University, Australia_

Digital Money in the Age of Globalization

_Barney Warf, University of Kansas, USA_

E-Commerce: The Effect of the Internet and Marketing Evolution

_Neus Soler-Labajos, Open University of Catalonia, Spain_
_Ana Isabel Jiménez-Zarco, Open University of Catalonia, Spain_

E-Commerce Management in Emerging Markets

_Olayinka David-West, Lagos Business School, Nigeria_

Electronic Disclosure Venues and Regulation Fair Disclosure

_Raquel Meyer Alexander, Washington and Lee University, USA_
_Afshad Jeevan Irani, Washington and Lee University, USA_

Empirical Investigation of E-Supply Chain Management Experience in North American Electronic Manufacturing Services

_Raul Valverde, Concordia University, Canada_
_Raafat George Saadé, Concordia University, Canada_
_Sherif Barrad, Concordia University, Canada_
