### 1 Assessing EU Smart Specialization Policy in a Comparative Perspective

*Slavo Radosevic*

**Introduction** 2

**Rationales and Framework for Industrial Policy** 3

**Why are Industrial and Innovation Policies “Hard”?** 4

**A Brief Historical Reminder** 5

**Key Features of New Industrial Policies: a Stylized Picture** 6

**New Approaches to Industrial Policy** 9

**Binding Constraints to Growth: Rodrik et al.; McKinsey Global Institute** 10

**Product Space and Export Product Complexity**

- (Hausmann and Hidalgo): Trade-Based Specializations (Diversification) Approach 11

**New Structural Economics** 13

**The Neo-Schumpeterian Approach of Keun Lee** 15

**The Schumpeterian Approach of Aghion et al.** 15

**Process (Evolutionary) View of Innovation (Industrial) Policy** 18

**EU Smart Specialization Approach** 19

**Summary** 22

**Challenges of Smart Specialization** 23

**Does SS Reflect Country/Region-Specific Challenges and Drivers of Technology Upgrading?** 24

**Inward Orientation and Weak Transnationalization of SS** 25

**Institutional Capacity for SS Policies** 25

**The Challenge of Implementation** 27

**Conclusions** 29

**References** 31
2 The Economic Fundamentals of Smart Specialization Strategies
Dominique Foray

Introduction 38
From Horizontal Policies to RIS3 38
The Two Facets of Smart Specialization Strategies 40
Main Principles of RIS3 41
Why? 41
On What? 42
How? 43
When? 43
The Process of Entrepreneurial Discovery 44
Conceptualizing the Discovery Process 44
Describing the Phases of the Process 45
The Morphology of Priority Areas 46
Government Capabilities 46
Is There a RIS3 Trap? 46
Conclusions 47
References 48

3 Managing Self-Discovery: Diagnostic Monitoring of a Portfolio of Projects and Programs
Yevgeny Kuznetsov, Charles Sabel

Introduction 52
Project Portfolio and Framework Program as Two Key Conceptual Units of the New Industrial Policy 53
Diagnostic (Problem-Solving) Monitoring Versus Conventional (Accounting) Monitoring 61
Fundación Chile 62
Public Policy Initiatives in Biotechnology in India 62
Debt Management at the World Bank 63
Establishing a Schumpeterian (Diagnostic Monitoring) Segment in RIS3 Practice 67
Bringing in the Issue of Public Sector Coordination and Reform: RIS3 as a Framework Program 68
A Proposal for Diagnostic Monitoring Pilots for (Self-Selected) RIS3 Experiences 68
A Proposal for a Two-Track Selection of New RIS3 Cases 69
Conclusions: Turning Obstacles into Variables 70
References 72
