Applicability of FSO technology to HAP networks
Physical layer aspects for FSO links in HAP networks
Free space optics for optical transport networks
References
Advanced Communication Techniques as Enablers for Hap-Based Communication Systems
Modern wireless system design concepts
Diversity techniques
Multiple input multiple output systems
Adaptive coding modulation schemes
Advanced radio resource management techniques
References
Multiple Hap Networks
Why multiple HAP constellations?
Multiple HAP constellation planning
User Antenna Pointing Error in Multiple HAP Systems
Two Ring Constellation Design for Multiple HAP Systems
Constraints of Two-ring Constellation Designs
References
Networking Implications of Using Multiple Hap Constellations
Network protocols
Mobility management in HAP-based communication systems
Mobility and Backhaul Load Reduction Techniques
References
