

Basic Concepts

Developmental Anatomy and Urogenital Abnormalities

Structural Basis of Voiding Function

Neuroanatomy and Neurophysiology: Innervation of the Lower Urinary Tract

Pharmacologic Basis of Bladder and Urethral Function and Dysfunction

Hormonal Influences on the Female Genital and Lower Urinary Tract

Social Impact of Urinary Incontinence and Pelvic Floor Dysfunction

Evaluation and Diagnosis

Clinical Evaluation of Lower Urinary Tract Dysfunction

Imaging of the Female Genito-Urinary Tract

Ultrasound Evaluation of Lower Genitourinary Tract

Electrophysiological Evaluation of the Pelvic Floor

Urodynamic Evaluation

The Measurement of Urinary Symptoms, Health Related Quality of Life and Outcomes of Treatment for Urinary Incontinence

Pathophysiology of Voiding Dysfunction

Classification of Voiding Dysfunction

Voiding Dysfunction and Neurological Disorders

Effect of Pelvic Surgery on Voiding Dysfunction

Idiopathic Urinary Retention in the Female

Overactive Bladder

Clinical Diagnosis of Overactive Bladder

Pathophysiology of Overactive Bladder

Behavior Modification and Conservative Management of OAB

Pharmacological Management of Overactive Bladder

Pharmacologic Neuromodulation (Botox, RTX, Capsacin)

Sacral Neuromodulation (Interstim) for the Treatment of OAB

Tibial Nerve Stimulation

Pudendal Nerve Stimulation

Detrusor Myomectomy

Bladder Augmentation

Stress Incontinence

Pathophysiology of Stress Incontinence

Conservative Management of SUI

Selecting the Best Surgical Option for the Treatment of SUI

Evaluation, Quality of Life and Outcomes of Prolapse Surgery

Urethral Injectables in the Management of SUI

Current Role of Needle Suspensions

Vaginal Wall Sling

Free Vaginal Wall Sling

Transabdominal Colposuspension for the Treatment of Stress Incontinence

Pubovaginal Sling (Autologous)

The Use of Cadaveric Fascia for Pubovaginal Sling

Fascia Lata Sling

Mid to Distal Urethral Slings-TVT

IVS

DUPS

SPARC

Pubo-Vaginal Tape

Obturator Sling

Cadaveric Fascia Using Bone Anchors

Radiofrequency of Endopelvic Fascia

Spiral Sling

OAB and Stress Incontinence
