Evaluation of Affective Dialogue Systems
The Role of Affect and Sociality in the Agent-Based Collaborative Learning System p. 265
Evaluation of Synthetic Faces: Human Recognition of Emotional Facial Displays p. 276
How to Evaluate Models of User Affect? p. 288
Short Papers: Preliminary Cross-Cultural Evaluation of Expressiveness in Synthetic Faces p. 301
Demonstrations
Conversational H.C. Andersen First Prototype Description p. 305
Experiences with an Emotional Sales Agent p. 309
A Freely Configurable, Multi-modal Sensor System for Affective Computing p. 313
Gesture Synthesis in a Real-World ECA p. 319
Author Index p. 323
