Henning Wode: Curriculum Vitae	x
Henning Wode: List of publications	xi
Contributors	xx
Preface	xxi
Part I: General aspects of first and second language acquisition	
Biological correlates of first language acquisition <i>Ursula Pieper</i>	3
Language emergence <i>Brian MacWhinney</i>	17
The procedural skill hypothesis for SLA <i>Manfred Pienemann</i>	43
The 'linguo-cognitive system' and the vulnerability of functional morphology in L2A and other acquisition types <i>Helmut Zobl</i>	57
How to learn the n-th language <i>Herbert Pilch</i>	71
Space and time in first and second language acquisition: A tribute to Henning Wode <i>Richard M. Weist</i>	79
Basic verbs in lexical progression and regression <i>Åke Viberg</i>	109
The aspect hypothesis and the L2 reacquisition of verbal inflections <i>Andreas Rohde</i>	135
Codes, skills, and control: Modelling the acquisition of communicative competence <i>Amei Koll-Stobbe</i>	153

A metaphorical analysis of learner beliefs <i>Rod Ellis</i>	163
In search of the silent Finn <i>Kari Sajavaara</i>	181
Part II: L1 and L2 speech production and perception	
On phonetic similarity <i>Ocke-Schwen Bohn</i>	191
Interactions between the native and second-language phonetic systems <i>James E. Flege</i>	217
Speech perception and language learning: Wode's developmental model of speech perception revisited <i>Winifred Strange</i>	245
Orthographic input in L2 phonological development <i>Martha Young-Scholten</i>	263
Periods of speech perception development and their vestiges in adulthood <i>Denis Burnham, Michael Tyler & Stephanie Horlyck</i>	281
The development of acoustic-phonetic parameters in early language development <i>Gunhild Reinicke & Walter F. Sendlmeier</i>	301
Variation as an important characteristic of early phonological development <i>Thorsten Piske, Anja K. Steinlen, Britt Krüger & Udo Lindner</i>	319
Part III: Immersion/Foreign language teaching	
Early French Immersion: How has the original Canadian model stood the test of time? <i>Marjorie Bingham Wesche</i>	357

The importance of differentiating negotiation of form and meaning in classroom interaction <i>Roy Lyster</i>	381
The use of community resources in immersion <i>Michael Clyne</i>	399
Multilingualism and intercultural learning: Some remarks from a hermeneutic perspective <i>Hans Hunfeld</i>	409
Some reflections on multilingual education in Europe <i>Dieter Wolff</i>	417
Acquisition strategies of German in Alsatian immersion classrooms <i>Jean Petit</i>	433
On L2 lexical learning abilities <i>Andreas Rohde & Christine Tiefenthal</i>	449
The acquisition of English verbs in an elementary school immersion program in Germany <i>Kristin Kersten, Christine Imhoff & Bianca Sauer</i>	473
How effective is late partial immersion? Some findings of a secondary school program in Germany <i>Petra Burmeister & Angelika Daniel</i>	499
The development of first year, self-instructional university courses in Spanish and German <i>Harris Winitz & Jeanne Yanes</i>	517
