

PREFACE	xi
1 Images of Deviance and Social Control: An Introduction	1
CONTROLLING NORMAL AND DEVIANT SOCIAL LIFE	3
THEORETICAL PERSPECTIVES	6
Disciplinary Images of Deviance: Toward an Interdisciplinary Perspective / Power-Related Images of Deviance: A Deconstructive Viewpoint on Theory / Uneasy Questions: Substantive and Personal Concerns / Conceiving and Controlling Deviance / Formal Theories of Deviance in the West	
HOW THIS BOOK IS ORGANIZED	14
Basic Theoretical Imagery, Research Strategies, and Control Policies / Sociohistorical Context / Development of the “Conceptual Tools” of Critical Assessment	
NOTES	16
2 The Demonic Perspective: Otherworldly Interpretations of Deviance	19
INTRODUCTION	19
THEORETICAL IMAGES	22
IDENTIFYING DEMONIC DEVIANCE	24
Demonic Deviance among the Kabré / Discovering Medieval Deviance / Discerning the Devil in Colonial America / The Confession	
SOCIAL CONTROL OF DEMONIC DEVIANCE	28
Public Executions: “Rituals of a Thousand Deaths” / Other Rituals of Religious Control: More Shame than Pain / In the Name of Centralized Authority / Community Control of the Demonic / In the Name of the Father: Heterosexist Patriarchy and Religious Control	
THE DEMONIC PERSPECTIVE TODAY	41
Contemporary Televangelism and the Moral Majority / Progressive Uses of Religious Imagery	

ASSESSMENT OF THE DEMONIC PERSPECTIVE	47
Some Naturalistic Observations about Spiritual Perspectives / Some Spiritual Observations about Naturalistic Perspectives	
NOTES	55
3 The Classical Perspective: Deviance as Rational Hedonism	61
INTRODUCTION	61
THEORETICAL IMAGES	63
Sociohistorical Background / Casare Beccaria: Controlling the Rational Calculation of Deviant Pleasure / Jeremy Bentham: Extending the Utilitarian Calculus of Rational Punishment	
IDENTIFYING CLASSICAL DEVIANCE	74
SOCIAL CONTROL OF CLASSICAL DEVIANCE	75
The French Penal Code of 1791 / Neoclassical Modification / Centralized Control of Deviants in State Penitentiaries	
THE CLASSICAL PERSPECTIVE TODAY	81
ASSESSMENT OF THE CLASSICAL PERSPECTIVE	85
Does Punishment Deter? / Deterrence: Some Concluding Comments and Reservations / Realizing Rational Justice: Another Problem of Adequacy for the Classical Perspective	
NOTES	96
4 The Pathological Perspective: Deviance as Sickness	101
INTRODUCTION	101
THEORETICAL IMAGES	104
Early Instances of Pathological Theorizing / The Essential Components of Pathological Theorizing / The History of Pathological Theorizing: Cycles of Optimism and Failure / The Physiological Pathology Tradition: From Body Types to Chromosomes / Psychological Pathology: The Abnormal Mind of Nonconformity / Measuring Deviant Personality Traits / The Elusive Search for the Psychopath / Contemporary Studies of Sociopathy / Identifying Pathological Deviance	
SOCIAL CONTROL OF PATHOLOGICAL DEVIANCE	136
The Eugenics Movement: Putting Theories of Hereditary Pathology into Practice / The Mental Hospital	
THE PATHOLOGICAL PERSPECTIVE TODAY	143
Pathologizing Unruly Children: The Case of Hyperkinesis / The Surgical Control of Human Behavior	
ASSESSMENT OF THE PATHOLOGICAL PERSPECTIVE	154
Reducing Social Trouble to Individual Sickness /	

Advantages of the Medical Model / Disadvantages of Pathologizing Deviance / Concluding Comments on Pathological Theorizing	
NOTES	161
5 The Social Disorganization Perspective: Rapid Change and Normative Breakdown in the Slums of Chicago	169
INTRODUCTION	169
THEORETICAL IMAGES	173
The 1920s and the University of Chicago: A Time and Place for the Study of Social Disorganization / A Time for Social Disorganization: The Aftermath of World War I and the Professional Management of Rapid Social Change / A Decade of Rapid Change / The Tension of Change: Social Reactions to Technologicalization, Immigration, and Urbanization / The Professional Management of Change: The Liberal Response / The Birth of Chicago Sociology: The Concept of Disorganization as a Liberal Tool for the Professional Management of Change / The Dynamics of Disorganization: The Legacy of W. I. Thomas and Florian Znaniecki / The Ecology of Disorganization: The Legacy of Park and Burgess / The Natural Areas of Deviance: Socioecological Studies of Disorganizational Deviance / The Theoretical Imagery of Disorganization: A Summary Comment	
IDENTIFYING DISORGANIZATIONAL DEVIANCE	194
Sociological Statistics on Disorganization / Field Research into Social Disorganization	
SOCIAL CONTROL OF DISORGANIZATIONAL DEVIANCE	197
THE SOCIAL DISORGANIZATION PERSPECTIVE TODAY	200
Historical Background / Disorganizational Deviance in Developing Countries / Other Contemporary Uses of Disorganizational Imagery / Contemporary Control Theory: A Social-Psychological Extension of the Disorganization Model / Reckless's Version of Control Theory: The Principle of Containment / Hirschl's Control Theory: Failure of the Social Bond	
ASSESSMENT OF THE DISORGANIZATION PERSPECTIVE	208
Inadequate Operationalization of the Concept of Disorganization / Confusion of Disorganization and Differential Organization / Neglect of Organized, "Respectable" Deviance / Relative Inattention to Social Stratification	
NOTES	213

6	The Functionalist Perspective: Cybernetics, Negative Feedback, and the Benefits of Deviance	221
	INTRODUCTION	221
	THEORETICAL IMAGES	223
	Durkheim: Searching for the Moral Integration of Social Organisms / Deviance as Normal: Contributions to Moral Integration	
	IDENTIFYING FUNCTIONAL DEVIANCE	228
	SOCIAL CONTROL OF FUNCTIONAL DEVIANCE	233
	THE FUNCTIONALIST PERSPECTIVE TODAY	235
	The Great Depression and World War II: A Crisis in U.S. Order and the Rise of Functionalist Cybernetics / Sociology after World War II: Temporary Images of Prosperity and the Reign of Functionalism	
	ASSESSMENT OF THE FUNCTIONALIST PERSPECTIVE	244
	An Overly Mechanistic Image of Society: Cybernetic Reasoning and the Specter of False Teleology / The Circularity of Functional Analysis: The Specter of Tautology / The Conservative Bias of Functional Analysis	
	NOTES	246
7	The Anomie Perspective: Normlessness, Inequality, and Deviant Aspirations	251
	INTRODUCTION	251
	THEORETICAL IMAGES	253
	Durkheim: Anomie as Normlessness / Durkheim's View of Human Nature: Normatively Controlled Greed / The Transition from Traditional to Modern Society: The Social Context of Durkheim's Analysis / Anomie, Deviance, and the Study of Suicide / Suicide in Egoistic, Altruistic, and Fatalistic Societies / Anomic Suicide: The Rise and Fall of Economic Aspirations / Long-Term Anomie: A Problem of Modern Times / Robert K. Merton: Inequality in Opportunities to Conform / Extending Merton's Theory of Anomie: The Contributions of Parsons and Dubin / Richard Cloward: Differential Opportunity for Illegitimate Means / Albert Cohen: Subculture Adjustments to Frustration	
	IDENTIFYING ANOMIC DEVIANCE	270
	Specific Measures of Anomie / A Concluding Comment on Anomie Research: The Use of Official Statistics on Deviance	
	SOCIAL CONTROL OF ANOMIC DEVIANCE	274
	Durkheim: Constructing a Secular Moral Order for Modern Society / Merton: Reducing Aspirations or Increasing Opportunities	

THE ANOMIE PERSPECTIVE TODAY	279
Empirical Studies of Anomic Deviance	
ASSESSMENT OF THE ANOMIE PERSPECTIVE	284
Specific Criticisms of Durkheim and Merton / Enduring	
Theoretical Concerns: The General Importance of	
Durkheim and Merton / Concluding Comments: Limitations	
of the Anomie Perspective	
NOTES	289
8 The Learning Perspective: Acquiring Deviance in	
Association with Others	297
INTRODUCTION	297
THEORETICAL IMAGES	298
Gabriel Tarde and the Imitation of Deviance / Sutherland's	
Theory of Differential Association / Modifying the Image of	
Differential Association / Modern Social-Learning Theory:	
The Principle of Differential Reinforcement	
IDENTIFYING LEARNED DEVIANCE	311
Typological Classification / Analytic Induction /	
Reinforcement Contingency Analysis	
SOCIAL CONTROL OF LEARNED DEVIANCE	315
Imitative Control: Providing Models of Conventionality /	
Group Unlearning: Altering Differential Association /	
Behavior Modification: Modern Social Learning Theory	
as Social Control	
THE LEARNING PERSPECTIVE TODAY	325
The Stages of Learned Deviance / The Content of	
Learning / Modes of Learning Deviance	
ASSESSMENT OF THE LEARNING PERSPECTIVE	331
Concluding Comments: Four Reservations about the	
Scope and Uses of the Learning Perspective / Ignoring	
the Role of Unconscious Repressions / Inattention to	
Gendered and Multicultural Models of Learning	
NOTES	337
9 The Societal Reaction Perspective: Labeling and the Social	
Construction of Deviance	345
INTRODUCTION	345
THEORETICAL IMAGES	346
The Emergence of the Societal Reaction Perspective	
during the 1960s / Spatial Influences on the Societal	
Reaction Viewpoint / Theoretical Foundations of the	
Societal Reaction Perspective: The Influence of Interpretive	
Sociology / Societal Reactions and Power: A Note on	
Driving Force	

IDENTIFYING SOCIETAL REACTION DEVIANCE	360
The Critique of Official Statistics / Defining Deviance / The Reflexive Nature of Societal Reaction Research	
SOCIAL CONTROL OF SOCIETAL REACTIONS TO DEVIANCE	365
Decriminalization of Victimless Crimes / Least Restrictive Control	
THE SOCIETAL REACTION PERSPECTIVE TODAY	370
The Historical Development of Deviant Labels / Application of Deviant Labels / The Consequences of Being Labeled / Labelers and the Expansion of the Deviance Problem: The Ironies of Social Control / Collective Responses of Deviants to Deviant Labels	
ASSESSMENT OF THE SOCIETAL REACTION PERSPECTIVE	383
The Causal Critique / The Normative Critique / The Empirical Critique / The Situated Knowledge Critique / The Structural Critique	
NOTES	390
10 Critical Perspectives: Toward a Power-Reflexive Deconstruction of Deviance and Difference	401
INTRODUCTION	401
THEORETICAL IMAGES	404
Power and Knowledge Hierarchies and the Ritual Control of Deviance / Historical Background: Questioning the Powers That Be / Pluralistic Conflict Theory: A Step in the Direction of Critical Thinking / The Imagination Guiding Critical Perspectives: A Reciprocal Structuring of Power / A Political Economy of Deviance and Control: Marxist Critical Thought / Deconstructing Hierarchical Authority: Anarchist Critical Thought / Countering Heterosexism: Feminist Critical Thought / Countering Racism: Radical Multicultural Thought	
NOTES	460
11 Critical Perspectives: Social Theory and Social Change	469
INTRODUCTION	469
METHODS OF CRITICAL THEORIZING	470
Critical Theory and the Critique of Positivist Ideology / Power-Reflexive Methods: A Counterhegemonic Way of Knowing	
CRITICAL PERSPECTIVES ON SOCIAL CONTROL	475
But What about Liberal Reform? / Social Control and Critical Praxis: The Politics of Deconstruction / Power- Reciprocal Control: How Do we Get There from Here?	

THE CRITICAL PERSPECTIVE TODAY	487
Critical Studies of Crime / Madness and Powerlessness / Rape and the Social Economy of Gender / Corporate and Government Deviance / Social Control and the Postmodern / Power-Reflexive Studies of Control: A Final Comment	
ASSESSMENT OF THE CRITICAL PERSPECTIVE	498
Confusing Structural Affinity with Conspiratorial Motives / Consensus, Hegemony, and Common Sense / Conceptual Links to Other Theoretical Perspectives / Structural Determination versus Free Will: A Question of Agency	
NOTES	505
INDEX	514
