<b>PART I UNDERSTANDING VIOLENCE AT WORK</b>	
<hr/>	
<b>1 Introduction: A catalyst for action .....</b>	<b>3</b>
Terrorism in the workplace .....	3
Workplace tragedies .....	6
Violence in the everyday life of workplaces around the world .....	10
Australia .....	11
France .....	12
Germany .....	13
Japan .....	13
South Africa .....	14
Spain .....	14
United Kingdom .....	15
United States .....	15
The changing profile of violence at work .....	16
From physical to psychological .....	17
Sexual harassment .....	17
Bullying .....	20
Mobbing .....	21
From awareness to action .....	23
The scope of this book .....	24
<b>2 Patterns and trends .....</b>	<b>29</b>
Definitions .....	29
Regional and national data on workplace violence .....	31

	Europe .....	32
	United States .....	43
	Developing countries .....	52
	Workplace violence by gender: Variations in exposure .....	62
	The vulnerability of young workers to workplace violence .....	67
	From general to specific .....	68
3	Occupations and situations at risk .....	71
	Working alone .....	73
	Small shops, petrol stations and kiosks .....	74
	Working alone outside normal hours .....	75
	Taxi drivers .....	75
	Working in contact with the public .....	75
	Bus, train and subway workers .....	76
	Flight attendants .....	78
	Shop workers in the retail sector .....	79
	Workers providing social services .....	79
	Hotel, catering and restaurant staff .....	79
	Dancers and other performing artists .....	80
	Librarians .....	81
	Working with valuables and cash handling .....	81
	Shops .....	81
	Postal service .....	82
	Financial institutions .....	83
	Private security industry employees .....	84
	Working with people in distress .....	85
	General hospitals .....	86
	Health-care workers operating in emergency care units .....	86
	Psychiatric hospital staff .....	87
	Old-age care units .....	89
	Working in an environment increasingly "open" to violence .....	90
	Teaching .....	90
	Call centres .....	94
	Sports .....	95
	Working in conditions of special vulnerability .....	96
	Workers in precarious employment .....	96
	Immigrant workers and people of different ethnic origin .....	98
	Workers in export-processing enterprises .....	99
	Children .....	99

	Military and paramilitary organizations .....	102
	Zones of conflict .....	106
	Towards explanations .....	107
4	Explanations .....	111
	Complex causes, complex solutions .....	112
	Violence risk factors .....	113
	Individual behaviour and workplace violence .....	117
	Interactive model: contextual, individual, workplace and societal risk factors .....	121
	Individual risk factors .....	122
	Perpetrators .....	124
	Victims .....	124
	Workplace risk factors .....	126
	The permeation of external environmental, social and contextual factors .....	130
	Stress and violence .....	132
	The “spillover” of domestic violence into workplaces .....	133
	Costs of violence at work .....	136
	Individual costs .....	136
	Organizational costs .....	137
	Community costs .....	137
	Identifying the costs .....	138
	Quantifying the costs .....	140
	Towards finding responses .....	140

**PART II    RESPONDING TO VIOLENCE AT WORK**

---

5	Legal responsibilities and rights .....	147
	National laws .....	147
	Criminal law .....	148
	Employment injury legislation .....	149
	Occupational health and safety legislation .....	151
	Environmental legislation .....	153
	Specific legislation against violence at work .....	155
	Special legislation .....	159
	Sexual harassment .....	159
	Air rage .....	163
	Working alone .....	163

	Collective agreements .....	164
	Regional agreements .....	164
	National agreements .....	166
	Industry sector agreements .....	166
	Corporate agreements .....	168
	The role of the courts .....	169
	Employers' responsibilities .....	170
	Outsourcing of hiring .....	172
	Constructive dismissals .....	172
	Illicit behaviour .....	173
	Burden of proof .....	173
	From intervention to action .....	173
6	Tackling workplace violence .....	179
	Guides and publications on workplace violence prevention .....	179
	Organizational commitment to preventing and minimizing risk .....	184
	Models of prevention at the organizational level .....	185
	Types of perpetrators of workplace violence .....	187
	External intruder (or Type 1) workplace violence .....	187
	Client or customer perpetrators of workplace violence (or Type 2) .....	189
	"Internal" perpetrators of workplace violence (or Type 3) .....	189
	Preventive strategies and measures .....	192
	Administrative means to reduce the risks of workplace violence ..	193
	Pre-employment testing and screening of potential employees ..	195
	Training .....	199
	Information and communication .....	200
	Workplace violence prevention through physical and environment layout .....	202
	Work organization and job design .....	204
	Dealing with violent incidents .....	207
	Defusing aggression .....	207
	Immediate action after violent incidents .....	209
	Post-incident management .....	210
7	Best practices .....	221
	Prevention frameworks in organizations and multinational enterprises ..	221
	A multinational enterprise .....	221
	A public health authority .....	222
	A university .....	223

	A local government authority .....	225
	A trade union .....	226
	National government level .....	228
	A private airport corporation .....	229
	A public transport organization .....	230
	Guidelines to prevent harassment and bullying .....	230
	Primary preventive interventions .....	231
	The working environment .....	231
	Respect for diversity and prevention of discrimination and harassment .....	233
	Community-based interventions focused on potential perpetrators .....	234
	Community involvement and partnership with police .....	235
	Secondary interventions .....	236
	Workplace violence at a hospital in the Netherlands .....	236
	Workplace violence incidents in less well-controlled environments .....	238
	Reporting of all workplace violence incidents .....	240
	Objective measurement of violence against staff .....	242
	Tertiary interventions .....	243
	Phone counselling .....	243
	Comprehensive approaches .....	244
	Victim Empowerment Programme, South Africa .....	244
	Reduction of community violence on public transport and buses .....	246
	Risk reduction for lone workers .....	249
	Sustainability .....	252
	Task Force on the Prevention of Workplace Bullying, Ireland .....	252
	Prevention plan for violence in an urban public transport company, Amiens, France .....	254
8	Action against workplace violence by international agencies .....	259
	Protection of human rights and violence at work .....	259
	Protection of women workers and violence at work .....	259
	Protection of migrant workers and violence at work .....	265
	Violence at work in the context of racial discrimination .....	265
	The ILO and protection against violence at work .....	266
	Action against sexual harassment .....	266
	Action to combat violence against children in workplaces .....	267
	Action against workplace stress .....	268

- The interrelationship between stress and workplace violence  
in the health sector ..... 268
- The ILO code of practice on workplace violence ..... 270
- Initiatives on multiple hazards linked with workplace violence .. 271
- The World Health Organization and protection against violence  
at work ..... 272
- Action against workplace violence by other United Nations agencies .. 274
- Action against workplace violence by the European Union ..... 278
  - EU Framework Directive 89/391/EEC ..... 278
  - Other EU initiatives to combat workplace violence ..... 280
  - EU Directives on harassment and sexual harassment ..... 283
  - Other European agencies ..... 284

**PART III FUTURE ACTION**

---

- 9 Beyond violence: Lessons ..... 291
  - From a hidden to a disclosed issue ..... 291
    - The damaging impact of repeated acts of psychological  
aggression ..... 292
    - The gender dimension of violence at work ..... 292
    - The special impact of violence on vulnerable workers ..... 293
  - The global dimension of violence at work ..... 294
    - The need to encourage reporting ..... 295
  - From a restricted to a public issue ..... 296
    - Growing awareness of the need to tackle the problem of  
violence at work ..... 296
    - Recognition that violence at work is a varied and complex  
problem ..... 297
    - Interactions between individuals, work environments and the  
external environment are the key generators of violence .... 298
    - The difficulty of predicting where or when violence will occur .. 298
    - The importance of identifying situations at special risk,  
while recognizing that each one is unique ..... 299
    - Recognition of the socio-economic consequences of  
violence at work ..... 299
    - The need to involve all interested parties in understanding  
and shaping the response to violence ..... 300
    - The importance of a preventive, systematic and targeted  
approach to violence at work ..... 301

The emergence of specific legislation on violence at work . . . .	302
The key role of guidelines in shaping an effective response to workplace violence . . . . .	302
The importance of both immediate intervention and long- term assistance to victims of violence . . . . .	303
Early intervention and prevention measures lead to more permanent results, and eventually pay for themselves . . . . .	303
Focusing international action . . . . .	304
The ILO as a unique forum for combating violence at work . .	304
Bibliography . . . . .	307
Index . . . . .	343

## Figures

1	Assaults on personnel in the transport sector, France, 1997–2002 . . . .	12
2	Number of victims and incidents of violence at work, 2002/03 BCS interviews . . . . .	15
3	Violence at work in the EU, 1996 and 2000 . . . . .	33
4	Workers subjected to physical violence over the past 12 months, acceding countries and EU Member States . . . . .	34
5	Levels of intimidation and sexual harassment over the past 12 months, acceding countries and EU Member States . . . . .	34
6	Workers subjected to physical violence over the previous 12 months in the 15 EU Member States, 1996 and 2000 . . . . .	35
7	Number of incidents of violence at work, United Kingdom, 1991–2003 .	36
8	Frequency of bullying experienced, as cited by 5,300 British workers . .	38
9	The three most frequent work-related fatal events, United States, 1992–2003 . . . . .	44
10	The manner in which workplace fatalities occurred, United States, 2003 .	45
11	Assaults and violent acts resulting in days away from work, by source of injury (perpetrator category), United States, 2001 . . . . .	48
12	Fatal work injury incidents, men and women, United States, 2002 . . . .	63
13	Exposure of women to sexual harassment in the EU, 2000 . . . . .	65
14	Age profile of London Underground Ltd., employees and staff assaulted, January 1993 to August 1996 . . . . .	67
15	Bank robberies by month, Australia, January 1998 to April 2002 . . . . .	84
16	Workplace violence: An interactive model . . . . .	123
17	Knowledge of organizational strategies of the enterprise . . . . .	127
18	Inefficiency of the internal communications system . . . . .	128

## Violence at work

19	Level of company awareness of the violent situation .....	128
20	Perceived company capacity for risk reduction .....	129
21	Combined effects of all cost elements of workplace violence .....	138
22	Absenteeism over a 12-month period, EU, 1996 .....	139
23	The Di Martino model for the management of violence at work .....	186
24	Seven phases of critical incident stress debriefing .....	215
25	Caring in safety at work .....	238
26	Violent incident reporting procedures for operational staff at the Lincolnshire Ambulance and Health Transport Service NHS Trust ..	241
27	ILO survey on workplace violence among United Nations organizations: Response to question "Is violence at work a concern in your organization?"	275
28	ILO survey on workplace violence: Response to question "Type of concern" .....	276
29	ILO survey on workplace violence: Response to question "Action taken" .....	277

## Tables

1	Workplace violence experiences over a 12-month period by industry sector, Australia .....	12
2	Studies of physical violence in selected EU Member States .....	37
3	European studies on the prevalence of bullying .....	39
4	Sexual violence and harassment of women in the workplace, Italy, 2002 ..	42
5	Frequency of intimidation of women in the workplace, Italy, 2002 ....	43
6	Fatal and non-fatal workplace assaults, United States, 1992–2001 .....	44
7	Number, percentage and relative risk for workplace homicides by employment characteristics, United States, 1996–2000 .....	46
8	Number, percentage of total and relative risk for workplace homicides for selected occupations, United States, 1996–2000 .....	47
9	Average annual number, rate and percentage of workplace victimization by type of crime, United States, 1993–99 .....	49
10	Women and men reporting sexual harassment experiences from the 1980, 1987 and 1994 US Merit Systems Protection Board surveys of Federal workers .....	51
11	Extent of sexual harassment among migrant women workers in domestic service in Hong Kong, China, 2000 .....	61
12	Mental violence at the workplace by gender, Finland, 1997 and 2003 ..	63
13	Results of the "Violence Against Nurses" study, Iceland, 1996 .....	66
14	Employees reporting mobbing, by age, Germany, 2000 .....	68
15	Occupations most at risk of assaults at work, 2001/02 and 2002/03 British Crime Survey interviews .....	76

16	Recorded assaults on British railway workers, 1999–2004	77
17	US Federal Aviation Administration: Number of incidents of passenger misconduct, 1995–2001	78
18	Number of bank robbery incidents, United States, 1990–2001	83
19	Violence experienced by health care personnel in seven countries	90
20	Risk of being bullied in the workplace for those victimized at school and bullies/victims at school, United Kingdom	94
21	Occupational violence incidents experienced by workers in 13 occupational groups, Australia, 1993–98	97
22	Productivity impacts of violence at the workplace, United States, 1996	137
23	Estimated cost of workplace bullying in a British local authority	141
24	Risk assessment cycle	282

## Boxes

1	Tuesday 11 September 2001	3
2	The shootings at Dunblane Primary School on 13 March 1996	7
