Preface

CHAPTER 1 Introduction	1
1.1 Background assumptions	1
1.2 Research procedures	3
1.3 Sources of data	4
1.4 Contents	5
CHAPTER 2 Phonological Markedness	7
2.1 The notion of markedness	7
2.2 Markedness and phonological universals	9
2.2.1 Jakobson's universals of markedness	9
2.2.2 Greenberg's universals of markedness	11
2.2.3 Counterevidence to the Jakobson's and Greenberg's universals of markedness	14
2.2.4 Bailey's universals of markedness	16
2.3 An integrated model of markedness	17
2.3.1 Principles for assigning markedness values	18
2.3.2 Mechanisms of phonological development	22
2.3.2.1 Biological mechanisms of phonological development	22

2.3.2.2	Sociocommunicational mechanisms of phonological development	25
2.3.2.3	Naturalness in the reconstruction of linguistic systems	27
2.3.3	Explaining phonological development	29
2.4	Summary	32
CHAPTER 3	Spanish and Portuguese phonology	33
3.1	Input languages: La Plata Argentine Spanish and São Paulo Brazilian Portuguese	33
3.2	Source languages: Uruguayan Spanish and Southern Brazilian Portuguese	35
3.3	Substratum languages: Iberian Spanish and Portuguese	36
CHAPTER 4	First language acquisition of Spanish and Portuguese phonology.	39
4.1	The use of case-study methodology	39
4.1.1	Noam's case-study.	40
4.1.1.1	Noam and his linguistic environment.	40
4.1.1.2	Data collection and analysis	40
4.1.1.3	Noam's corpus	40
4.1.2	Nurit's case-study	41
4.1.2.1	Nurit and her linguistic environment	41
4.1.2.2	Data collection and analysis	41
4.1.2.3	Nurit's corpus	41
4.2	Biological mechanisms of change in child language	41
4.2.1	Unidirectional developments in child language.	42
4.2.1.1	Vowel and consonant acquisition.	42
4.2.1.2	Phonological changes of stressed/unstressed vowels and diphthongs	45

4.2.1.3	Phonological processes affecting consonants and consonant clusters.	47
4.2.2	Higher-level phonetic processes in child language	55
4.2.2.1	Assimilation.	55
4.2.2.2	Prosodic restructurings	58
4.2.2.3	Rule generalization and recompounding	61
4.3	Summary	62
CHAPTER 5	Creolization of Spanish and Portuguese Phonology	63
5.1	Papiamentu	63
5.1.1	Historical background.	63
5.1.2	Data source and phonological inventory	64
5.2	Palenquero	66
5.2.1	Historical background.	66
5.2.1	Data source and phonological inventory	67
5.3	Reconstructing segmental inventories	68
5.4	Biological mechanisms of change in creolization	69
5.4.1	Unidirectional developments in creolization	69
5.4.1.1	Phonological changes of stressed/unstressed vowels and diphthongs	69
5.4.1.2	Phonological processes affecting consonants and consonant clusters.	71
5.4.2	Higher-level phonological processes in creolization	80
5.4.2.1	Assimilation.	80
5.4.2.2	Dissimilation	82
5.4.2.3	Prosodic restructurings and recompoundings	82

5.5 Sociocommunicational mechanisms in creolization.....	83
5.5.1 Borrowing of prestige rules	83
5.5.2 Borrowing from substrata	84
5.5.3 Decreolization	86
5.5.4 Hypercorrection and spelling pronunciation	86
5.6 Summary.....	88
CHAPTER 6 Fusion and compartmentalization of Spanish and Portuguese phonology.....	89
6.1 Selected dialects of Judeo-Ibero-Romance	89
6.2 Judeo-Ibero-Romance: The language spoken by Spanish and Portuguese Jews	91
6.3 Judeo-Ibero-Romance as a Spanish koine	94
6.3.1 Neutralization in Fronterizo	95
6.3.2 Reversals in Salonika, Istanbul, and Monastir	96
6.4 Fusion in Judeo-Ibero-Romance.....	97
6.4.1 Compartmentalization of the Judeo-Ibero-Romance phonological component	98
6.5 Diffusion, fusion, and compartmentalization	101
6.6 The psychological and social reality of linguistic fusion	103
6.7 Summary.....	105
CHAPTER 7 Summary and Conclusions	107
<i>References</i>	109
<i>Index</i>	123
