ADVANCES IN ARID ZONE ARCHAEOLOGY: THE 4TH SOUTHERN DESERTS CONFERENCE

Advances in arid zone archaeology: The 4th Southern Deserts Conference A.N. Williams, K. Ditchfield, V. Cortegoso and K. Borrazzo	1
The memory of the landscape: Surface archaeological distributions in the Genoa Valley (Argentinean Patagonia) S. Leonardt, V. Scheinsohn, F. Rizzo and P. Tchilinguirían	5
Lithic taphonomy in desert environments: Contributions from Fuego-Patagonia (Southern South America) K. Borrazzo	19
The influence of raw material size on stone artefact assemblage formation: An example from Bone Cave, south-western Tasmania K. Ditchfield	29
Environment, space, and morphological variation of projectile points in Patagonia (Southern South America) M. Cardillo, K. Borrazzo and J. Charlin	44
Changes in lithic technology and environment in southern continental Patagonia: The Chico and Santa Cruz River basins N.V. Franco, G.A. Brook, M.V. Mancini and L. Vetrivano	57
Hunter-gatherer mobility decisions and synchronous climate change in the Southern Andes: The early and middle Holocene occupations of ARQ-18, San Juan, Argentina (29.5°S) E. Marsh, V. Cortegoso and S. Castro	66
Geographic vectors of human mobility in the Andes (34–36° S): Comparative analysis of 'minor' obsidian sources V. Cortegoso, R. Barberena, V. Durán and G. Lucero	81
Obsidian use and mobility during the Early and Middle Holocene in the Salt Puna, NW Argentina E. Pintar, J.G. Martínez, C.A. Aschero and M.D. Glascock	93
Moving obsidian: The case of Antofagasta de la Sierra basin (Southern Argentinean Puna) during the late Middle and Late Holocene P.S. Escola, S. Hocsman and M.P. Babot	109
The disappearing desert and the emergence of agropastoralism: An adaptive cycle of rapid change in the mid-Holocene Lake Titicaca Basin (Peru–Bolivia) E.J. Marsh	123
Logistical mobility in plateaus in Central-Western Santa Cruz, Argentina. An approach from technological, archaeofaunal and anthracological evidence S. Pasqualini, G. Cassiodoro and J.M. Dellepiane	135
Potters and herders at the southern edge of the Andean world: Risk management and mobility in Northwestern Mendoza, Argentina C. Frigolé and A. Gasco	152
Dunes, hills, waterholes, and saltpeter beds: Attractors for human populations in western Pampa, Argentina M.A. Berón	163
