

Geological Society Special Publication No. 495

Cross-Border Themes in Petroleum Geology II: Atlantic Margin and Barents Sea

Edited by

D. Chiarella

Royal Holloway, University of London, UK

S. G. Archer

Harbour Energy, UK

J. A. Howell

University of Aberdeen, UK

C. A.-L. Jackson

Imperial College, UK

H. Kombrink

North Sea Core, UK

and

S. Patruno

University of Nicosia, Cyprus

2022
