May 16-20, 2004
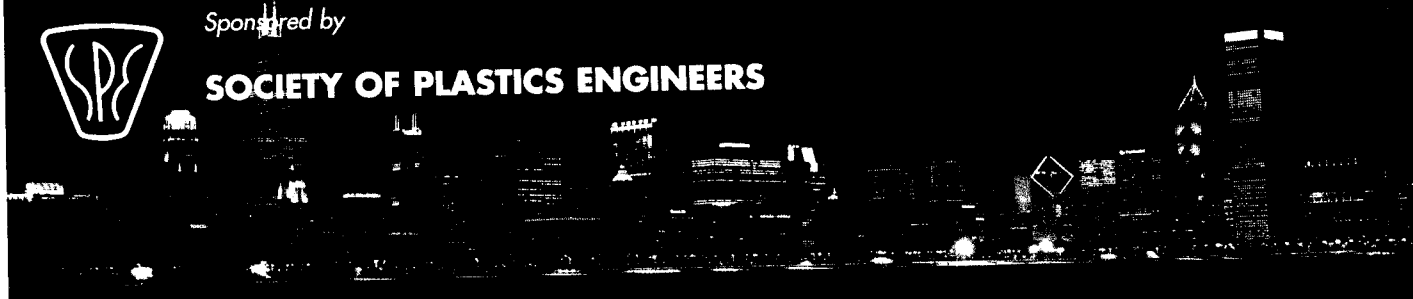
At Chicago's Navy Pier
Chicago, Illinois

CONFERENCE PROCEEDING
Volume III - Special Area

Sponsored by

SOCIETY OF PLASTICS ENGINEERS



PLASTIC PIPING PRODUCTS

W17—Plastic Piping

VOLUME III - SPECIAL AREAS

SPE DIVISIONS

INT1—Interactive Session One - Engineering Properties & Structure Division and Alloys & Blends SIG Joint with Engineering Properties & Structure Division

INT2—Interactive Session Two - Composites Division, Failure Analysis SIG, Electrical & Electronic Division, Polymer Analysis Division

INT3—Interactive Session Three - Thermoplastics Materials & Foams Division, Applied Rheology SIG, Student Papers, Thermoplastic Elastomers SIG

INT4—Interactive Session Four - Marketing & Management Division, Extrusion Division, Extrusion Joint with Engineering Properties & Structure Division

INT5—Interactive Session Five - Medical Plastics Division, Thermosets Division, Injection Molding Division, Mold Making & Mold Design Division

AUTOMOTIVE - 31

T10—Materials & Applications

T24—Process Developments

COLOR AND APPEARANCE - 21

M1—Applications in Colored Plastics

M18—Applications in Colored Plastics

---

* Present in a joint session.
