The logo for Nova Publishers features the word "nova" in a bold, lowercase sans-serif font. The letter "o" is replaced by a stylized globe showing continents. To the left of the "nova" text is a decorative graphic of a semi-circle of small dots of varying sizes, arranged to suggest a globe or a molecular structure. Below "nova" is the word "publishers" in a smaller, lowercase sans-serif font, and below that is the phrase "New York" in an italicized, lowercase serif font.
