Prologue by Rosalie L. Tung xiv

1 Setting the Scene for CDC 1

Introducing CDC 1
Structure of This Book 4

Chapter 2—The Confucianism-Discipline-Competitiveness (CDC) Model 4
Chapter 3—Discipline and Academic Performance Under the Microscope 4
Chapter 4—CDC Over Time: A Simulation Approach 5
Chapter 5—Conclusions and Outlook on CDC 5
Spotlights 5

Introducing Confucianism 7
A Foundation for CDC 7
A Brief History 9
Contemporary Relevance 11
Culture as a Competitive Resource 12

Introducing Discipline 17
The Missing Link 17

Introducing Competitiveness 30
Competitiveness: The Phenomenon CDC Explains 30
Education and the Economy 32
What Does This Mean for the Future of Work? 38

The Gig Economy 41
Data Sources and Methodology 43

2 The Confucianism-Discipline-Competitiveness (CDC) Model 51

Our CDC Model at the Micro Level 52
Unit of Analysis 54
Association Between School Discipline and Academic Performance 56
CDC Under the SEM Probe 57
Explaining the Difference: A Confucian Perspective 61
Education as a Transformative Experience 63
Effort Over Ability 67
Socialisation Under Filial Piety 72
Role Clarity 75

3 Discipline and Academic Performance Under the Microscope 93
Academic Performance 94
School Discipline 96
Which Discipline? 102
A Confucian Approach to Discipline 105
PISA Dimensions Under the Microscope 121
Student Truancy 121
Student Learning Time 123
Student Self-Efficacy 125
Student Motivation 127
Student Well-Being 130
Student Outlook on Education 132
Teacher Performance 136

4 CDC Over Time: A Simulation Approach 147
Diachronic Analysis of Discipline and Academic Performance 149
Diachronic Analysis of Elite Performers 149
Global Competitiveness Over Time 152
Academic Performance and Global Competitiveness Over Time 155
Predictive Model of Educational Achievement and Global Competitiveness 158
Wheel of Competitiveness 162
Simulation: Discipline and Academic Performance and National Competitiveness 164
Take Home Messages From Diachronic CDC Analyses and Simulations 166

5 Conclusions and Outlook on CDC 199
Theoretical Implications 204
Practical Implications 210
Research Implications 216
Outlook on CDC 220
