## CONTENTS

1 Introduction  
1.1 What Are Drivers and Blockers?  
1.2 Overview of the Chapters  

2 Profound Self-Awareness and the Need to Explore Drivers and Blockers  
2.1 Adult Mind Development Stages and the “Immunity to Change” Process  
2.1.1 Adult Mind Development and Stages  
2.1.2 The “Immunity to Change” Process  

3 Exploring the Reservoirs of Drivers and Blockers: Conscious and Unconscious Selves  
3.1 The Role of Conscious and Unconscious Mind, Mini-selves and Possible-Selves  
3.2 The Conscious and Unconscious Mind  
3.3 Ego and Mini-selves  
3.4 Possible-Selves and Identity
CONTENTS

4 Exploring the Reservoirs of Drivers and Blockers (Conscious and Unconscious): Worldviews and Emotions
   4.1 Worldviews
   4.2 Emotions
      4.2.1 Emotions in Our Lives
      4.2.2 Emotions and Change

5 Exploring the Reservoirs of Drivers and Blockers (Conscious and Unconscious): Big Five Personality Traits
   5.1 Personality Traits: The Five Factor Model

6 Exploring the Reservoirs of Drivers and Blockers (Conscious and Unconscious): Other Personality Traits and Characteristics
   6.1 Self-Esteem
   6.2 Locus of Control
   6.3 Self-Efficacy
   6.4 Positive and Negative Affectivity
   6.5 Risk Aversion
   6.6 Tolerance for Ambiguity
   6.7 Other Potential Areas Related to Drivers and Blockers

7 Exploring the Reservoirs of Drivers and Blockers (Conscious and Unconscious): Values and Motivators
   7.1 Values
   7.2 Extrinsic and Intrinsic Motivators
   7.3 Summary of the Reservoirs and Sources of Drivers and Blockers

8 Uncovering, Understanding, Unleashing, Overcoming: Exploring Drivers and Blockers in Leadership Development Practice
   8.1 The "Drivers and Blockers Exploration Tool"
   8.2 Drivers and Blockers Exploration in Action: The Case of Jennifer
   8.3 Integrating Drivers and Blockers Exploration with Leadership Development
## Contents

9 Conclusion and Opportunities for Further Research and Application  
9.1 Afterword: Drivers and Blockers: A Final Reflection  

10 Appendices  
10.1 Appendix 1: List of Participant Field Research Examples Demonstrating Drivers and Blockers  
10.2 Appendix 2: “Orders of Mind” (Adapted from Kegan, 1994 and Additional Sources as Cited)  
10.3 Appendix 3: Overcoming Immunity to Change—Kegan and Lahey’s (2009) Four Column “Immunity Map”—Information Overview  
10.4 Appendix 4: System 1 and System 2—Automatic and Controlled Mind  
10.5 Appendix 5: Comparing Five Factor NEO-P (Big Five) with MBTI  
10.6 Appendix 6: Summary Description of Various Reservoirs and Sources of Drivers and Blockers  
10.7 Appendix 7: Drivers and Blockers Exploration Tool for Use and Adaptation  
10.8 Appendix 8: Drivers and Blockers Exploration Tool—Mini Case Study Full Research Examples  
10.8.1 Example A: Stefanie—Female—Chief Operating Officer, Energy Company  
10.8.2 Example B: Markus—Male—Chief Executive Officer, Regional Consumer Retail Company  
10.8.3 Example C: John—Male—Chief Operating Officer, Transport Company  
10.9 Appendix 9: Potential Relationship of Exploring Drivers and Blockers with a Selection of Leadership and Development Theories, Models, Frames and Approaches
