Foreword v

About the Authors vii

Chapter 1. Introduction 1
1.1. Why Read This Book? 1
1.2. Background to This Book 1
1.3. Motivation for and Objective of This Book 2
1.4. Outline of the Contents of This Book 3

Part A. History and Analysis of the WTO in the Context of Trade Disputes 7

Chapter 2. Brief History of the WTO and Its Environment-Related Trade Dispute Resolution Procedures 9
2.1. Introduction 9
2.2. Historical Context of the World Trade Organization 10
2.3. Rules-Based Decision-Making 13
2.4. Dispute Resolution 15
2.5. Rules Pertaining to Trade and Environment 17
2.6. Alternative Models for Decision-Making 22
Chapter 3.  WTO Trade Dispute Resolution Procedures in the Context of Biosecurity Risks — Details and Critical Analysis of Applications to Global Trade Disputes 25

3.1. Introduction ........................................... 25
3.2. Biosecurity Disputes ..................................... 27
3.3. DS18: Australia vs. Canada — Measures Affecting The Importation of Salmon (1995) ......................... 28
3.4. DS245: Japan vs. USA — Measures Affecting the Importation of Apples (2002) .......................... 31
3.5. DS367: Australia vs. New Zealand — Measures Affecting the Importation of Apples from New Zealand (2007) .... 35
3.6. DS430: India vs. USA — Measures Concerning the Importation of Certain Agricultural Products (2012) .......... 38
3.7. DS447: Argentina vs. USA — Measures Affecting the Importation of Animals, Meat and Other Animal Products from Argentina (2012) ...................... 41
3.9. Summary of Analysis .................................... 46
3.10. Limitations of the WTO’s Approach to Date and Alternative Options ...................................... 47

Chapter 4.  WTO Dispute Resolution Procedures in the Context of Ecosystem Services Risks — Details and Critical Analysis of Applications to Global Trade Disputes 49

4.1. Introduction ........................................... 49
4.2. Ecosystem Services Disputes ............................ 50
4.3. US–Canada, Tuna 1982 (GATT Report L/5198) ........ 51
4.4. US–EC, Canada and Mexico Superfund Excise Taxes 1988 (L/6175) ........................................... 53
4.5. Canada–US, Unprocessed Herring and Salmon 1988 (L/6268) ........................................... 55
Contents

4.7. US–Mexico, Tuna–Dolphin I 1991 (ILM 1594) ........ 60
4.9. US–Netherlands and EU, Tuna–Dolphin II 1994 (DS29/2, DS29/3, ILM 839) ................................. 64
4.10. US–EU, Taxes on Automobiles 1994 (Gas Guzzler and CAFE; ILM 1397) .................................. 66
4.11. US–Venezuela and Others, Venezuelan Reformulated Gasoline 1996 (ILM 274) ......................... 70
4.12. US vs. India, Pakistan, Malaysia and Thailand, Shrimp and Shrimp Products 1998 (WT/DS58 (and 61)) ........ 73
4.13. Canada–EU, Asbestos and Asbestos-Containing Products 2001 (DS135) .................................. 76
4.14. EU–Brazil, Retreaded Tyres 2007 (DS332) .......... 78
4.15. Summary of Analysis ................................... 80
4.16. Limitations of the WTO’s Approach to Date and Alternative Options ........................................ 82

Part B. Evaluating International Trade Proposals in the Context of Biosecurity Risks 85

Chapter 5. Evaluating International Trade Proposals in the Context of Biosecurity Risks: Methodology 87

5.1. Introduction ........................................... 87
5.2. Theoretical Model for Welfare Analysis ............... 88
5.3. Using the Model for Welfare Analysis ................ 92
5.4. Conclusion ........................................... 93

6.1. Introduction ........................................... 95
6.2. New Zealand Apples Importation Request to Australia and the Risk of Fire Blight Introduction .......... 96
6.3. Canadian Salmon Importation Request to Australia and the Risk of Whirling Disease Introduction 110
6.4. Conclusion 119

Part C. Evaluating International Trade Proposals in the Context of Ecosystem Services Risks 121

Chapter 7. Evaluating International Trade Proposals in the Context of Ecosystem Services Risks: Methodology 123
7.1. Introduction 123
7.2. A Framework to Determine Net Changes in Ecosystem Services 124
7.3. Analysis 130
7.4. Discussion 132
7.5. Conclusion 133

Chapter 8. Evaluating International Trade Proposals in the Context of Ecosystem Services Risks: Case Studies 135
8.1. Introduction 135
8.2. Measures Affecting Brazilian Importation of Retreaded Tyres 136
8.3. Measures Affecting Tuna Imported from Mexico 143
8.4. Conclusion 150

Part D. A Way Forward 153

Chapter 9. Dealing with Complexity: Non-Monetised Impacts and Distributional Considerations 155
9.1. Introduction 155
9.2. Import Risk Analyses and Cost Sharing Agreements in Biosecurity 156
9.3. An Ecosystem Services Penalty System 158
9.4. Outlining the Benefits of Using Multi-Criteria Decision Analysis .............................. 160
9.5. Designing a Multi-Criteria Decision Analysis to Determine an Appropriate Ecosystem Services Penalty ............................................. 162
9.6. Conclusion ........................................................................................................ 169

Chapter 10. Conclusion ......................................................................................... 171
10.1. Looking Back ................................................................................................ 171
10.2. Looking Forward ............................................................................................. 174
