</table>
Chapter 4
Understanding Privacy-Focused Technology Use Among Generation Y: Its Impact on Behavioural Intention and Actual Use of Social Commerce ............................................................. 70
Divine Quase Agozie, Cyprus International University, Nicosia, Cyprus
Muesser Nat, Cyprus International University, Nicosia, Cyprus
Sampson Abeeku Edu, Cyprus International University, Nicosia, Cyprus

Chapter 5
Survival Strategies in the Digital Economy of a Developing Country: The Case of a Digital Enterprise ...................................................................................................................... 93
Eric Ansong, University of Ghana, Ghana

Chapter 6
Evaluating the Critical Determinants for Mobile Commerce Adoption in SMEs in Developing Countries: A Case Study of Vietnam ................................................................. 114
Ngoc Tuan Chau, University of Economics, The University of Danang, Danang, Vietnam & RMIT University, Melbourne, Australia
Hepu Deng, School of Accounting, Information Systems and Supply Chain, RMIT University, Melbourne, Australia

Chapter 7
Digital Innovation and Ridesharing in a Developing Country: The Case of Uru ................................. 143
Robert Ohene-Bonsu Simmons, University of Ghana, Ghana

Chapter 8
Blockchain Readiness: Expert Perspectives From a Developing Economy ........................................... 160
Frederick Edem Broni Jr., Business School, University of Ghana, Ghana
Acheampong Owusu, Business School, University of Ghana, Ghana

Chapter 9
Organizational Transformation in Developing Economies by New and Emerging Information Systems: The Usage, Transformations, Impacts, Benefits, and Management ..................................... 178
Samuel Anim-Yeboah, Business School, University of Ghana, Ghana & Sims Technologies Ltd., Ghana

Chapter 10
Counterfeiting and Piracy: The Role of IT – The Case of the Ghanaian and Nigerian Fashion and Beauty Industry ........................................................................................................ 209
Yaa Amponsah Twumasi, Business School, University of Ghana, Ghana
Joshua Ofori-Amanfo, Business School, University of Ghana, Ghana

Chapter 11
Enablers and Inhibitors of Merchant Adoption of Mobile Payments: A Developing Country Perspective ..................................................................................................................... 227
Eunice Yeboah Afeti, Business School, University of Ghana, Ghana
Joshua Ofori Amanfo, Business School, University of Ghana, Ghana
Chapter 12
Riders’ Participation in the Ride-Hailing Sector of the Gig Economy .......................................................... 251
   Obed Kwame Adzaku Penu, Business School, University of Ghana, Ghana

Chapter 13
Coming of Age? Exploring the Role of Dynamic Capabilities in Social Commerce Firms –
Evidence From a Ghanaian Enterprise ........................................................................................................... 281
   Edward Entee, University of Ghana, Ghana
   Anthony Afful-Dadzie, Business School, University of Ghana, Ghana

Chapter 14
Exploring Value Creation Through Application Programming Interfaces: A Developing Economy
Perspective ................................................................................................................................................................ 295
   Joshua Ofoeda, University of Professional Studies, Accra, Ghana

Section 3
Information Systems and Socio-Economic Development

Chapter 15
Using a Qualitative Interpretive Approach in Educational Technology Implementation: A
Personal Experience From a Developing Country University ........................................................................... 318
   Ibrahim Osman Adam, University for Development Studies, Ghana

Chapter 16
Digitalising Healthcare in Developing Economies: Challenges and Mitigating Strategies ......................... 332
   Mansah Preko, Business School, University of Ghana, Ghana
   Richard Osei-Boateng, 37 Military Hospital, Ghana & Business School, University of
   Ghana, Ghana
   Adekunle Ezekiel Durosinmi, Federal Medical Centre, Abeokuta, Nigeria

Chapter 17
Mobile Technology Diffusion in a Developing Economy: Adoption and Transformational
Outcomes in a Higher Education Institution ........................................................................................................ 354
   Harriet Koshie Lamptey, University of Professional Studies, Accra, Ghana

Chapter 18
Development Impacts of Free Public Wi-Fi in Johannesburg ........................................................................... 374
   Judy Backhouse, United Nations University, Portugal
   Hlelo Chauke, University of the Witwatersrand, South Africa
Section 4
Future of Information Systems in Developing Economies

Chapter 19
Gamification Research: Preliminary Insights Into Dominant Issues, Theories, Domains, and Methodologies
Kingsley Ofosu-Ampong, Business School, University of Ghana, Ghana
Thomas Anning-Dorson, Wits Business School, University of the Witwatersrand, South Africa

Chapter 20
Exploring Factors Influencing Big Data and Analytics Adoption in Healthcare Management
Sampson Abeeku Edu, Cyprus International University, Cyprus
Divine Q. Agozie, Cyprus International University, Cyprus

Chapter 21
Information Systems Curriculum Research: A Survey of Evidence
Kevor Mark-Oliver, Presbyterian University College, Ghana

Chapter 22
Resources and Value Co-Creation in Social Commerce: Evidence From Business Models in a Developing Economy – A Viewpoint for Future Research
Edward Entee, University of Ghana, Ghana

Chapter 23
Technology Addictions, Model Development, Measurement, and Effect on Performance From a Developing Country Context: A Viewpoint for Future Research
Makafui Nyamadi, University of Ghana, Ghana

Chapter 24
Cybercrime Research: A Review of Research Themes, Frameworks, Methods, and Future Research Directions
Jonathan Nii Barnor, Business School, University of Ghana, Ghana
Alfred A. Patterson, Business School, University of Ghana, Ghana

Chapter 25
The Political Use of Social Networking Sites in Turkey: A Systematic Literature Analysis
Burak Gökalp, Pamukkale University, Turkey
Naci Karkin, Pamukkale University, Turkey
Huseyin Serhan Calhan, Akdeniz University, Turkey

Chapter 26
Bryan Acheampong, Business School, University of Ghana, Ghana
Ibrahim Bedi, Business School, University of Ghana, Ghana
Chapter 27
Strategic Responses to Disruptive Digital Innovation and Their Effects in the News Media Industry: A Viewpoint for Future Research..................................................532
  Vonbackustein Klaus Komla, Business School, University of Ghana, Ghana

Chapter 28
Digital Platforms and Value Creation: A Viewpoint and Pointers for Future Research...............540
  Joseph Budu, Department of Information Systems and Innovation, School of Technology,
  Ghana Institute of Management and Public Administration, Ghana

Chapter 29
Exploring the Scope of User Resistance: A Bibliometric Review of 41 Years of Research ..........548
  Sylvester Tetey Aseidu, Business School, University of Ghana, Ghana
  Richard Boateng, Business School, University of Ghana, Ghana
