

ASPEN SELECT SERIES

**Oil and Gas Tax:
A Comprehensive Study**

Denney L. Wright

Professor of Practice

University of Houston Law Center

 Wolters Kluwer

CONTENTS

<i>Preface</i>	xxi
<i>Acknowledgments</i>	xxv
<i>Author Biography</i>	xxvii

1. Introduction to Oil and Gas Operations and Associated Tax Issues	1
A. A Historical Look at Oil and Gas Industry Trends	1
B. Upstream, Midstream, and Downstream Segments in Oil and Gas Industry Operations	11
1. Upstream	11
2. Midstream	12
3. Downstream	13
C. Life Cycle of an Upstream Oil and Gas Investment and Associated Tax Issues	14
1. Exploration: Finding the "Needle in the Haystack"	14
2. Development: Technical Design Expertise Combined with Financial Capability	17
3. Production: Safe and Profitable Operations Key to Long-term Success	18
D. Stakeholders in the Oil and Gas Industry	19
E. Federal Law vs. State Law Applications in Federal Oil and Gas Taxation	20
F. Basic Theories of Oil and Gas Taxation	24
 <i>Problems on the Oil and Gas Industry, the Lease Life Cycle, and Federal Income Taxation Controlling Rules</i>	 25

G. Formation of Oil and Gas Pictorial and Glossary of Oil and Gas Terms	26
2. Exploration for Oil and Gas	49
A. Geological and Geophysical Cost Definition and Historic Tax Treatment	50
1. Geological and Geophysical Costs Defined	50
2. Historic Tax Treatment for Geological and Geophysical Costs	51
B. Current Tax Treatment of Geological and Geophysical Costs	57
1. U.S. Domestic Geological and Geophysical Costs	57
2. Foreign Geological and Geophysical Costs	67
C. Shooting Rights and Option Payments	80
 <i>Problems on G&G and Shooting Rights</i>	 81
D. Dry Hole and Bottom Hole Contribution Agreements	83
 <i>Problems on Dry Hole and Bottom Hole Contribution Agreements</i>	 87
3. Survey of Oil and Gas Leasing Transactions	89
A. Bonuses	90
1. Capital vs. Ordinary and Necessary Business Expense	91
2. Delay Rentals vs. Bonus Payments	93
B. Royalties	97
1. Standard Royalty Interest	98
2. Overriding Royalty Interest	99
3. Shut-in Royalty Interest	99
4. Advance and Minimum Royalty Interest	103

C. Delay Rentals	107
1. Taxation of Delay Rental Payments to Payee	108
2. Taxation of Delay Rental Payments by Payor	112
<i>Problems on Bonuses, Royalties, and Delay Rentals</i>	116
D. Production Payments Retained in Leasing Transactions	117
1. Royalty vs. Production Payment Analysis	118
2. Schematics Illustrating Production Payments Retained in Leasing Transactions	129
<i>Problems on Production Payments Retained in Leasing Transactions</i>	130
E. Net Profits Interests	131
<i>Problems on Net Profits Interests</i>	133
F. Other Payments and Acquisition Costs	133
<i>Problems on Other Payments and Acquisition Costs</i>	134
G. Sample Oil and Gas Lease Form	134
4. The Economic Interest Cornerstone	143
A. Overview of the Economic Interest Concept	143
B. Application of Economic Interest Concept	144
C. Case Law and Rulings	144
1. Seminal Case Addressing Economic Interest	144
2. Economic Interest and Production Payment Structures	148
3. Economic Interest and Net Profits Interests	152
4. Economic Interest vs. Economic Advantage	161

5. Economic Interest and Legal Ownership of Oil and Gas Minerals	166
6. Alternate Sources of Income in Economic Interest Analysis	174
a. Horizontal Sources of Income	174
b. Vertical Sources of Income	178
c. Savings Clause	185
7. Economic Interest Upheld in a Foreign Jurisdiction	188
<i>Problems on Economic Interest</i>	197
5. Oil and Gas Sharing and Financing Arrangements	199
A. Pool of Capital Doctrine	200
1. History of Pool of Capital Doctrine	200
2. Current Status of Pool of Capital Doctrine	207
B. Farmout Transactions	208
1. Traditional Farmout Arrangement	208
2. Other Pool of Capital Transactions	212
3. Case Law Limitations to Pool of Capital Doctrine	218
<i>Problems on Pool of Capital Doctrine and Farmout Transactions</i>	225
C. Carried Interests	225
1. History of Carried Interests Taxation	227
2. Current Status of Carried Interests Taxation	242
a. Full Drilling Deductions with Complete Payout	242
b. Limitation on Drilling Deductions Without Full Payout	244
c. Drilling Deductions Limited to Working Interest Earned	246

d. Full Drilling Deductions If Full Recoupment	248
e. Full Drilling Deductions Even Without Ongoing Interest If Full Payout	250
f. Full Drilling Deductions Not Allowed If Payout from Multiple Properties	252
<i>Problems on Carried Interests</i>	255
D. Production Payment Financing	257
1. History of Production Payments	257
a. Carve Outs	257
b. Production Payments in ABC Sale Transactions	260
2. Current Status of Production Payments	265
3. Schematics Illustrating Past and Current Taxation of Production Payments	266
<i>Problems on Production Payment Financing</i>	270
E. Application of Tax Partnerships in Oil and Gas	270
6. Intangible Drilling and Development Costs	271
A. History of IDC Taxation	272
1. Regulatory and Administrative Pronouncements	272
2. Historic Congressional Actions	275
B. Parties Eligible to Make the Election	278
1. Operating Interest Owner Election	278
2. Separate Taxpayer Election	279
<i>Problems on Parties Eligible to Make an IDC Election</i>	279
C. The Mechanics of Making an IDC Election	281

<i>Problems on the Mechanics of Making an IDC Election</i>	291
D. IDC Expenses Defined	292
1. Expenses That Do Not Qualify as IDC	292
2. Expenses That Qualify as IDC	293
E. Offshore Exploration and IDC	295
1. Exploration Wells and IDC	295
2. IRS Concession for Exploratory Wells	315
F. Offshore Development and IDC	317
1. IDC Associated with Transport of Offshore Platforms	318
2. IDC Associated with Onshore Fabrication of Template Platforms	321
3. IDC Associated with Onshore Fabrication of Jacket-type Platforms	333
4. IDC Associated with Modular Platforms	338
G. IDC Associated with Development and Production Activities	347
H. IDC Associated with Unconventional Fracturing Activities	351
 <i>Problems on Expenses Qualifying for the IDC Election</i>	 354
7. The Oil and Gas Property Unit	355
A. History of the Oil and Gas Property Definition	356
B. General Definition of the Oil and Gas Property Unit	357
1. Each Separate Mineral Interest	359
2. In Each Mineral Deposit	367
3. On Each Separate Tract or Parcel of Land	373

<i>Problems on General Definition of Oil and Gas Property Unit</i>	375
C. Aggregation Rules and Available Elections	377
1. Partnership Election	377
2. Formal Property Election or Deemed Property Election Based on Taxpayer Actions	379
3. Special Rule as to Nonoperating Mineral Interests	386
<i>Problems on Aggregations</i>	386
D. Pooling and Unitizations	387
1. Unitization Orders and Pooling Agreements	387
2. Effect on Property Elections and Deductions	395
<i>Problems on Pooling and Unitizations</i>	396
8. Cost Depletion	397
A. Principles of Cost Depletion	398
1. Determination of Basis in the Oil and Gas Property	398
2. Determination of Reserves Associated with the Oil and Gas Property	404
3. Determination of Units Produced and Sold from the Oil and Gas Property	413
B. Cost Depletion Calculation Example	414
C. Cost Depletion in Special Situations	415
1. Bonus Payments	415
2. Advance Royalties	415
3. Net Profits Interests	416
4. Natural Gas Properties	416
<i>Problems on Cost Depletion</i>	416

9. Percentage Depletion	419
A. Principles of Percentage Depletion	420
1. Percentage Depletion and Tax Basis	420
2. Gross Income from the Property	423
a. Definition of Gross Income from the Property	423
b. Division of Gross Income from the Property	424
c. Gross Income from the Property When No Sales at the Wellhead	425
3. Taxable Income from the Property Limitations	448
B. Percentage Depletion Repeal	455
C. Example of Percentage Depletion Calculation	465
D. Other Issues	466
1. Marginal Production	466
2. Allocation of 1,000 bbls./day Exemption	466
3. Taxable Income Limitation Carryover	467
4. Net Profits Interest	467
<i>Problems on Percentage Depletion</i>	467
10. Oil and Gas Property Sales, Exchanges, and Involuntary Conversions	471
A. Lease vs. Sale	472
1. Legal Analysis	472
2. Lease or Sublease vs. Sale, Exchange, or Involuntary Conversion	483
<i>Problems on Lease vs. Sale</i>	487
B. Gain or Loss, Timing, and Characterization Issues	488
C. Recapture Issues Unique to Oil and Gas Transactions	489

<i>Problems on Recapture Issues</i>	489
D. Like Kind Exchanges	490
1. General Discussion of Like Kind Exchanges of Oil and Gas Interests	490
2. Analysis of the Courts and the IRS of Like Kind Exchanges of Oil and Gas Interests	491
E. Involuntary Conversions	495
 <i>Problems on Like Kind Exchanges and Involuntary Conversions</i>	 495
11. Oil and Gas Property Abandonment and Worthlessness	499
A. Write-offs of Oil and Gas Properties	500
1. Establishing the Property Interest	500
2. Parameters of Worthlessness	512
3. Taxpayer Actions Inconsistent with Worthlessness	518
a. Continued Payment of Delay Rentals	518
b. Partial Worthlessness	524
B. Overt Act of Abandonment	526
 <i>Problems on Abandonment and Worthlessness</i>	 531
<i>Table of Cases & Rulings</i>	533
<i>Index</i>	539
