Welcome: Upending Capitalism 1

Today's capitalism is unfit for purpose—and it's getting worse.

Foreword: 17

By Paul Polman

Introduction: Diving Into Tomorrow 21

The exponentially different worlds of Black, Gray, and Green Swans.

Chapter 1: Miracles On Demand 40

Miracles can be impossible within one paradigm, inevitable in the next.

PART I: THE BLACK SWAN BLUES 75

Key trends pushing and pulling us toward breakdown.

Chapter 2: A Wicked World 76

Why the world is becoming increasingly “wicked,” even “super wicked.”

Chapter 3: Black Swan Capitalism 90

Current capitalism robs the future to reward some of those alive today.

PART II: BLACK VERSUS GREEN 117

Black, Gray, and Green Swans are battling it out all around us.

Chapter 4: Swanning Round Boardrooms 118

How incumbent boards and C-suites view the relevant challenges.

Chapter 5: Getting Future Fit 144

A blueprint for Green Swans: How to create system value.

PART III: NEW PECKING ORDERS 165

Green Swans will upend current market realities.

Chapter 6: Incubating Ugly Ducklings 166

Why “Ugly Ducklings” seem ugly today—but won’t tomorrow.

Chapter 7: Green Swans Take Off 189

Politicians, governments, and markets must boost Green Swans.

Chapter 8: Exponential Migrations 219

How we get from here to there—faster.
