## Part I Introduction

<b>1</b>	<b>Foundations of Digital Business</b> . . . . .	3
1.1	Basics of Digital Business . . . . .	10
	Development of Information and Communication Applications Until 1956 . . . . .	10
	Development of Information and Communication Applications Until 1994 . . . . .	12
	Recent Developments of Information and Communication Applications . . . . .	14
	Definition and Classification of Digital Business . . . . .	16
1.2	Actors, Interaction Patterns, and Service Exchange . . . . .	18
	Different Interaction Patterns in Digital Business . . . . .	18
	Stages of Digital Business Development . . . . .	20
	Digital Market . . . . .	21
	Activities of Digital Business . . . . .	23
1.3	Development of Digital User Structure . . . . .	26
	Digital User Characteristics . . . . .	26
	Online Activities . . . . .	27
	Digital User Typology . . . . .	27
1.4	Success Factors of Digital Business . . . . .	29
	Digital Innovation Capability . . . . .	30
	Strategic and Organizational Flexibility . . . . .	30
	Capability for Networking and Integrating . . . . .	31
	Ease of Use . . . . .	31
1.5	Summary . . . . .	32
<b>2</b>	<b>Mobile Business</b> . . . . .	35
2.1	Basics of Mobile Business . . . . .	36
	Relevance of Mobile Business . . . . .	37
	Infrastructure of Mobile Business . . . . .	38
	Mobile Business Market and Its Market Leaders . . . . .	39
	Definition and Classification of Mobile Business . . . . .	43

2.2	Applications and User Structure of Mobile Business . . . . .	45
	Mobile Applications and Mobile Software . . . . .	45
	Mobile Browsing and Mobile Search . . . . .	48
	Mobile Information, Mobile Entertainment, and Mobile Navigation . . . . .	49
	Mobile Commerce, Mobile Communication, and Mobile Payment . . . . .	51
	Mobile Advertising and Mobile Telemetry . . . . .	53
2.3	Success Factors of Mobile Business . . . . .	57
	Customization and Mobile Networking . . . . .	58
	Absence of Media Disruption and Seamless Connection . . . . .	58
	Software Platform and Integration Degree . . . . .	59
	Bandwidth . . . . .	59
2.4	Summary . . . . .	60
<b>3</b>	<b>Social Media Business . . . . .</b>	<b>63</b>
3.1	Basics of Social Media Business . . . . .	64
	Web 2.0 vs. Social Media . . . . .	66
	Definition of Social Media and Social Media Business . . . . .	67
	Social Media Four-Factor Model . . . . .	68
3.2	Applications and User Groups in Social Media Business . . . . .	71
	Social Media Applications . . . . .	71
	Social Media Microtargeting and Social Media Multiplier Effects . . . . .	76
	Social Media Convergence and Integration . . . . .	78
	User Groups in Social Media Business . . . . .	80
3.3	Digital Disinformation on Social Media . . . . .	83
	News Consumption on Social Media . . . . .	83
	Integrated Model of Digital Disinformation . . . . .	85
	Governance of Digital Disinformation . . . . .	89
3.4	Success Factors in Social Media Business . . . . .	90
	Appropriate Handling of Data Protection . . . . .	90
	Four-Factor Model and Social Media Success . . . . .	91
	Business Potential of Various Social Media Tools . . . . .	92
3.5	Summary . . . . .	93
<b>4</b>	<b>Digital Government . . . . .</b>	<b>95</b>
4.1	Basics of Digital Government . . . . .	96
	Definition of Digital Government . . . . .	96
	Actors of Digital Government . . . . .	98
	Advantages of Digital Government . . . . .	100
	Development of Digital Government . . . . .	101
	Country Ranking . . . . .	103
4.2	Open Government and E-Participation . . . . .	104
	Definition of Open Government . . . . .	105
	Open Government Framework . . . . .	106
	E-Participation and Digital Government . . . . .	108
	Definition of E-Participation . . . . .	109

4.3	Services and User Structure of Digital Government . . . . .	113
	Digital Government Services and User Structure . . . . .	114
	Service Channels . . . . .	120
4.4	Success Factors of Digital Government . . . . .	123
	User-Centered Success Factors . . . . .	123
	E-Service Success Factors . . . . .	124
	IT Success Factors . . . . .	126
4.5	Summary . . . . .	127

**Part II Technology, Digital Markets and Digital Business Models**

<b>5</b>	<b>Digital Business Technology and Regulation . . . . .</b>	<b>133</b>
5.1	Basics of Digital Business Technology . . . . .	135
	Client-Server Interaction . . . . .	135
	Web Services . . . . .	140
	World Wide Web Technologies . . . . .	141
	Digital Business Architectures . . . . .	147
5.2	Technology at the Human-Machine Interface . . . . .	149
	Historical Development of the Human-Machine Interface	
	Until 2000 . . . . .	149
	Recent Developments of the Human-Machine Interface . . . . .	157
	Human-Machine Interaction and Configuration . . . . .	159
	Success Factors of Human-Machine Interaction . . . . .	162
5.3	Security in Digital Business . . . . .	163
	Cybersecurity . . . . .	164
	Typical Threats in Computer Networks . . . . .	165
	Cryptography . . . . .	168
	Blockchain . . . . .	171
5.4	Digital Payment Systems and Applications . . . . .	173
	Digital Payment Systems . . . . .	174
	Digital Payment Process . . . . .	178
	Digital Payment Success Factors . . . . .	179
5.5	Regulation of Digital Business . . . . .	181
	Formally Binding Content-Related Level of Internet	
	Regulation . . . . .	182
	Regulatory Aspects of Competition Law . . . . .	183
	Regulatory Aspects of Societal Law . . . . .	183
	Regulatory Aspects of Criminal and Civil Law . . . . .	184
	Organizational, Decision-Making, and Competence-Related	
	Regulation Level . . . . .	185
5.6	Summary . . . . .	186
<b>6</b>	<b>Internet of Things . . . . .</b>	<b>189</b>
6.1	Basics of Internet of Things . . . . .	190
	Definition of IoT . . . . .	191
	IoT IT Infrastructure . . . . .	192

6.2	Applications of the Internet of Things . . . . .	197
	Factories . . . . .	199
	Cities and Human . . . . .	199
	Retail Environments and Worksites . . . . .	200
	Outside and Vehicles . . . . .	201
	Home and Offices . . . . .	202
6.3	Internet of Robotic Things: IoT, Robotics, and Industrial Automation . . . . .	204
	Opportunities and Challenges of Industry 4.0 for Business . . . .	204
	Stages of Industrial Automation . . . . .	205
6.4	IoT User Behavior . . . . .	207
	Industry . . . . .	208
	Consumers . . . . .	210
6.5	Success Factors of IoT . . . . .	212
	IoT Key Competencies . . . . .	213
6.6	Summary . . . . .	214
<b>7</b>	<b>Artificial Intelligence, Big Data, and Cloud Computing . . . . .</b>	<b>217</b>
7.1	Artificial Intelligence Services and Applications . . . . .	218
	Definition of Artificial Intelligence . . . . .	219
	Artificial Intelligence Framework . . . . .	231
	AI Applications and Use Cases . . . . .	234
	Industry-Specific Effects of AI . . . . .	236
	Opportunities and Risks . . . . .	239
	Artificial Intelligence Governance . . . . .	241
	Strategic Four AI Governance Model . . . . .	243
7.2	Big Data . . . . .	245
	Relevance and Growth of Big Data . . . . .	245
	Applications and Uses of Big Data Analyses . . . . .	246
	Big Data Architecture . . . . .	250
7.3	Cloud Computing . . . . .	252
	Location Independency, Scalability, and Elasticity . . . . .	252
	Security and Vendor Lock-In . . . . .	254
	Three Types of Cloud Service Models . . . . .	256
7.4	Summary . . . . .	256
<b>8</b>	<b>Digital Platforms, Sharing Economy, and Crowd Strategies . . . . .</b>	<b>259</b>
8.1	Basics of Platform Economics . . . . .	260
	Platform Components . . . . .	260
	Advantages of Platforms . . . . .	262
	Platform Functionality and Strategies . . . . .	268
8.2	Sharing Economy . . . . .	269
	Shareconomy and Sharing Strategies . . . . .	269
	SSU Sharing Platform Model . . . . .	271
	Applications of the Shareconomy . . . . .	273

8.3	Crowd Strategies . . . . .	275
	Crowdfunding . . . . .	275
	Crowd Investing . . . . .	278
	Social Trading . . . . .	278
8.4	Summary . . . . .	279
<b>9</b>	<b>Digital Ecosystem, Disintermediation, and Disruption . . . . .</b>	<b>283</b>
9.1	Digital Ecosystem . . . . .	284
	Definition of Digital Ecosystem . . . . .	284
	Digital Ecosystem Structure: Organizational Models . . . . .	288
	Procurement and Procurement Interactions . . . . .	289
	Knowledge Creation . . . . .	289
	Value Creation . . . . .	289
	Value Capture . . . . .	290
	Products and Services . . . . .	290
	Provision Interactions and Customers . . . . .	290
	Digital Ecosystem Technical Infrastructure: Operational Models . . . . .	291
9.2	Digital Disintermediation . . . . .	292
	The Role of Trade in the Value Chain . . . . .	292
	The Internet and Its Potential for Disintermediation . . . . .	293
	Opportunities and Risks of Disintermediation . . . . .	295
	Disintermediation Case Study: HelloFresh . . . . .	296
9.3	Digital Disruption . . . . .	297
	The Structure of the Five-Level Model of Digital Disruption . . . . .	299
	The Role of the Disruptor . . . . .	299
	Entrepreneurial Strategies for Digital Disruption . . . . .	303
	Digital Disruption Case Study: Netflix . . . . .	307
9.4	Summary . . . . .	308
<b>10</b>	<b>Digital B2C Business Models . . . . .</b>	<b>311</b>
10.1	Basics of Digital Business Models . . . . .	313
	Partial Models of the Integrated Digital Business Model . . . . .	315
	Classification of B2C Digital Business Models . . . . .	323
10.2	Content . . . . .	324
	The Content Value Chain . . . . .	326
	Content Core Assets and Core Competencies . . . . .	329
	E-Information . . . . .	332
	E-Entertainment . . . . .	334
	E-Infotainment . . . . .	336
	E-Education . . . . .	336
10.3	Commerce . . . . .	338
	The Commerce Value Chain . . . . .	339
	Commerce Core Assets and Core Competencies . . . . .	342
	E-Attraction . . . . .	345

	E-Bargaining/E-Negotiation . . . . .	346
	E-Transaction . . . . .	348
	E-Tailing . . . . .	349
10.4	Context . . . . .	350
	The Context Value Chain . . . . .	352
	Context Core Assets and Core Competencies . . . . .	357
	E-Search . . . . .	360
	E-Catalogs . . . . .	361
10.5	Connection . . . . .	362
	The Connection Value Chain . . . . .	364
	Connection Core Assets and Core Competencies . . . . .	367
	Intra-Connection . . . . .	369
	Inter-Connection . . . . .	371
10.6	Hybrid Business Models . . . . .	373
	Drivers for Developing Hybrid Business Models . . . . .	373
10.7	Summary . . . . .	376
<b>11</b>	<b>Digital B2B Business Models . . . . .</b>	<b>379</b>
11.1	Digital B2B Sourcing Business Model . . . . .	381
	Subcategories of the Service Offering . . . . .	382
	Development of an Aggregated Value Chain . . . . .	383
	Core Assets and Core Competencies . . . . .	383
11.2	Digital B2B Sales Business Model . . . . .	384
	Subcategories of the Service Offering . . . . .	385
	Development of an Aggregated Value Chain . . . . .	386
	Core Assets and Core Competencies . . . . .	387
11.3	Digital B2B Supportive Collaboration Business Model . . . . .	388
	Subcategories of the Service Offering . . . . .	389
	Development of an Aggregated Value Chain . . . . .	389
	Core Assets and Core Competencies . . . . .	390
11.4	Digital B2B Service Broker Business Model . . . . .	391
	Subcategories of the Service Offering . . . . .	392
	Development of an Aggregated Value Chain . . . . .	393
	Core Assets and Core Competencies . . . . .	393
11.5	Summary . . . . .	394
 <b>Part III Digital Strategy, Digital Organization and E-commerce</b>		
<b>12</b>	<b>Digital Business Strategy . . . . .</b>	<b>399</b>
12.1	Four Forces of Digital Strategy . . . . .	401
	Convergence . . . . .	403
	Product and Service Convergence . . . . .	405
	Business Unit Convergence . . . . .	405
	Company Convergence . . . . .	406
	Sector Convergence . . . . .	406
	Technological Innovation . . . . .	407

	Deregulation of Information, Media, and Communications	
	Markets . . . . .	408
	Modifications of User Preferences . . . . .	408
	Convergence in Broadband Internet . . . . .	409
	Digitization and Innovation Dynamics . . . . .	409
	Increase in the Speed of Innovation and Open Innovation . . . . .	410
	Open Innovation . . . . .	413
	Increase in the Level of Digitization . . . . .	416
	Individualization of Service Offers . . . . .	418
	Free Delivery via Digital Networks . . . . .	418
	Market Complexity . . . . .	419
	Increase in Market Transparency . . . . .	419
	Fragmentation of Markets . . . . .	422
	Reduction of Market Entry Barriers . . . . .	423
	Customer Empowerment . . . . .	426
	Reduction of Switching Barriers . . . . .	427
	Increase of Market Power . . . . .	428
12.2	Digital Business Value Activity System . . . . .	431
	Digital Value Chain . . . . .	431
	ITS Front-Office Activities . . . . .	434
	PSP Back-Office Activities . . . . .	436
12.3	Strategy Development in Digital Business . . . . .	437
	Taxonomy of Digital Business Strategy Development . . . . .	441
	Digital Business Target Plan . . . . .	442
	Digital Business Situational Analysis . . . . .	447
	Digital Business Strategy Formulation . . . . .	452
	Digital Business Strategy Implementation . . . . .	463
	Digital Business Strategy Audit . . . . .	466
12.4	Summary . . . . .	467
<b>13</b>	<b>Digital Transformation and Digital Organization . . . . .</b>	<b>471</b>
13.1	Digital Transformation . . . . .	473
	Definitions of Digital Transformation . . . . .	473
	Phases of Digital Development and Transformation . . . . .	475
13.2	Digital Leadership . . . . .	477
	Definitions of Digital Leadership . . . . .	477
	Traditional Leadership Versus Digital Leadership . . . . .	478
13.3	Digital Organization . . . . .	480
	Definitions of Digital Organization . . . . .	480
	Development Stages of the Digital Organization . . . . .	481
13.4	Digital Teams . . . . .	487
	Definitions of Digital Teams . . . . .	487
	Development Stages of Digital Teams . . . . .	489
13.5	Summary . . . . .	491

<b>14</b>	<b>Digital Marketing and Electronic Commerce</b> . . . . .	495
14.1	Digital Marketing Strategy . . . . .	497
	Core Aspects of Digital Marketing . . . . .	497
	Customer Model of Determinants of Customer Value . . . . .	501
	Market Segmentation Criteria . . . . .	504
	Design of the Digital Marketing Strategy . . . . .	508
14.2	Digital Marketing Mix . . . . .	513
	Digital Distribution . . . . .	513
	Digital Pricing . . . . .	520
	Price Differentiation . . . . .	521
	Non-linear Pricing . . . . .	522
	Price Bundling . . . . .	522
	Dynamic Pricing . . . . .	523
	Digital Products/Digital Services . . . . .	524
	Product Innovation . . . . .	528
	Product Variation and Product Differentiation . . . . .	531
	Product Elimination . . . . .	535
	Digital Communication . . . . .	536
	Communication via Digital Channels . . . . .	540
	Communication Instruments . . . . .	542
	Targeting in Digital Communication . . . . .	544
	Digital Communication Instrument Influencer Marketing . . . . .	549
	Further Instruments of Digital Communication . . . . .	553
