### 1. Multi-Bank Financing: What It is and is Not

I. Introduction 1.01

II. The Dynamism of Multi-Bank Financing 1.05
   A. Increasing Sophistication of Client Needs 1.06
   B. Impact of Economic Cycles 1.07
   C. Different Types of Financial Institutions and Methods 1.08
   D. Impact of Changing Regulations 1.09

III. Designation of 'Multi-Bank Financing’ 1.10
   A. Increasing Participation of Other Financial Institutions 1.13

IV. Description of Multi-Bank Financing Transactions 1.14
   A. Primary Transactions 1.15
      1. The Syndicated Loan 1.15
         a. Common varieties of syndicated loans 1.17
         b. Niche-market syndicated loans 1.26
      2. Club Deal Loans 1.31
   B. Secondary Loan Market Practices 1.35
      1. Loan Participation and Loan Sub-participation: Early Differences between New York and London Practices 1.37
      2. Loan Sub-participations 1.38
      3. Loan Participations 1.40
         a. General description 1.40
         b. Differentiation between types of loan participation 1.41
      4. Transferable Loan Facilities—a Historical Note 1.50
         a. Transferable loan certificates 1.51
         b. Transferable loan instruments 1.52
         c. Current practices 1.53
      5. Loan Trading 1.54
      6. Credit Derivatives 1.55
      7. Collateralized Debt Obligations 1.58
Contents

V. Multi-Bank Financing Contrasted with Similar Financing Techniques 1.61
   A. Introduction 1.61
   B. Multi-Bank Financing Contrasted with Equity Syndications and Participations 1.63
   C. Multi-Bank Financing Contrasted with Capital Market Methods 1.64
   D. Multi-Bank Financing Contrasted with International Bonds/Eurobonds 1.65
   E. Multi-Bank Financing Contrasted with Commercial Paper Programmes 1.68
   F. Multi-Bank Financing Contrasted with Securitization 1.70
      1. Traditional Sale Structure 1.72
      2. Sale of Assets to a Trustee of a Receivables Trust 1.73

VI. Conclusion 1.76

   I. Introduction 2.01
   II. The Parties—Who Uses Multi-Bank Financing? 2.02
      A. The Borrowers 2.02
         1. Who are the Borrowers? 2.02
         2. Regulation of the Borrowers 2.06
      B. The Lenders and Investors 2.07
         1. Banks 2.08
            a. Different types of banks 2.08
            b. Regulation of banks 2.12
         2. Non-Bank Financial Institutions 2.15
            a. Hedge funds 2.16
            b. Pension funds 2.19
            c. Insurance companies 2.20
            d. Collateralized debt obligations 2.21
            e. Building societies 2.22
            f. Equity funds 2.23
            g. Mutual funds and prime rate funds 2.24
            h. Finance companies 2.25
            i. Islamic finance 2.26
            j. Vulture funds 2.27
            k. International Finance Corporation 2.28
            l. Credit unions (cooperative credit associations) 2.29
   III. Components of the Financial Market—Where Multi-Bank Financing Occurs 2.30
      A. Domestic Market 2.31
      B. Foreign Market 2.32
C. International Financial Market—the Euromarket
   1. The Concept and Origins of the Eurocurrency
   2. The Development of the Eurodollar Market
   3. Characteristics and Advantages of the Euromarket
      a. Regional markets

IV. The Rationale—Why Parties Use Multi-Bank Financing
   A. The Borrower
      1. Advantages of Syndicated Loans
      2. Advantages of Loan Trading and Other
         Secondary Loan Market Methods
   B. The Banks
      1. Advantages of Syndicated Loans
         a. The diversification of the risk of non-payment
         b. Complying with regulations
         c. Earning arrangement fees
         d. Increasing prestige and publicity
         e. Developing profitable relationships
      2. Reasons for Secondary Loan Market Practices
         a. Note on credit derivatives
         b. Sale considerations
         c. Purchase considerations

V. Conclusion

3. Arranging Syndicated Loans, Sub-participations, and Loan Participations
   I. Introduction
   II. Arranging Syndicated Loans
      A. Procedure in Brief
         1. Key Roles
         2. Effect of Electronization on Documentation
         3. Self-arranged Syndicated Loans
      B. Detailed Procedure
         1. Originating the Loan
            a. The offer and the mandate
            b. Types of offer
            c. Legal effect of the mandate
            d. Arranger's potential liability to the borrower
         2. Negotiating the Loan
         3. Marketing the Loan
            a. Finalizing the syndicate group
            b. Preparing the information package or memorandum
            c. Dealing with professional advisers
            d. Liability for inaccurate or erroneous information
         4. Action in Contract or Tort?
         5. Arranger's Potential Liability to the Participants
6. Misrepresentation
   a. Effective misrepresentation 3.68
   b. Materiality 3.71
   c. Inducement and reliance 3.72
7. Heads of Action—Specific Categories of Misrepresentation 3.76
   a. Fraudulent misrepresentation 3.77
   b. Negligent misrepresentation 3.80
   c. Innocent misrepresentation 3.100
   d. Statutory misrepresentation 3.102
   e. Overseas statutory regimes 3.113
8. Negligence 3.114
10. Obviating Liability for Misinformation or Non-information 3.132
    a. Exemption or disclaimer clauses 3.132
    b. Due diligence 3.139
    c. Involving the participants 3.140
    d. Indemnity from the borrower 3.141

III. Arranging Loan Participations and Sub-participations 3.142
    A. Arranging a Loan Sub-Participation 3.142
    B. Loan Participation Procedures 3.143
    C. Liability Arising from the Selling Process 3.147

IV. Conclusion 3.148

4. Nature of Credit Facilities Used in Syndicated Loans and Secondary Loan Markets
   I. Introduction 4.01
   II. Direct Loans 4.03
      A. Money Loans 4.04
      B. Overdraft Facilities 4.07
   III. Documentary Credits 4.09
      A. Overview of Letters of Credit 4.09
      B. Syndications of Documentary Credits 4.11
         1. One Bank Issues a Documentary Credit for its Own Account 4.13
         2. One Bank Issues a Documentary Credit on behalf of the Syndicate 4.14
         3. Each Bank Issues its Own Documentary Credit 4.15
      C. Participations of Documentary Credits 4.17
         1. Introduction 4.17
         2. Participations Granted by the Issuing Bank 4.21
         3. Participations Granted by the Confirming Bank 4.23
         4. Participations Granted by the Nominated Bank 4.26
IV. Bank Guarantees and Standby Letters of Credit 4.29
   A. Introduction 4.29
   B. Syndications of Bank Guarantees 4.33
      1. Motives Behind Syndications of Bank Guarantees 4.33
      2. The Syndication Procedure 4.34
      3. Specific Types And Purposes of Bank Guarantees 4.38
         a. Tender guarantee 4.39
         b. Advance payment or repayment guarantee 4.40
         c. Performance guarantee 4.41
   C. Syndications of Direct Pay Standby Letters of Credit 4.45
   D. Participations of Bank Guarantees and Standby Credits 4.47

V. Bankers' Acceptances 4.51
   A. Bankers' Acceptances as a Funding Facility 4.51
   B. Syndications of Bankers' Acceptances 4.56
   C. Participations in Bankers' Acceptances 4.58
      1. Risk Participations 4.59
      2. Generic Participations 4.60
      3. Observations 4.62

VI. Conclusion 4.64

5. Syndicated Loans: Legal Relationships Between the Borrower and Lenders, and among Syndicate Lenders

I. Introduction 5.01

II. The Legal Nature of the Syndication Arrangement 5.06
   A. Importance of Determining the Legal Nature 5.06
   B. Legal Nature of the Syndication Arrangement 5.07
      1. Separate Loans 5.08
      2. Joint Tenancy or Joint Venture 5.14
      3. Partnership 5.15

III. Contractual Provisions in a Syndicated Loan Agreement 5.16
   A. Key Determinants of Loan Classifications and Terminology 5.19
   B. Key Features of Euroloan Lending 5.20
      1. The Concept of Matched Funding 5.20
      2. The Concept of Net Lending (Yield Protection) 5.21
   C. Legal Relations between the Lenders and the Borrower 5.23
      1. Definitions 5.24
      2. The Facility 5.25
      3. Purpose and Utilization of the Facility 5.26
      4. Payments, Repayment and Prepayment 5.28
         a. Payment of interest 5.29
         b. Repayment of principal 5.35
         c. Prepayment and cancellation 5.37
II. Lead Bank and Participant Relationship
   A. The Legal Nature of the Participation Arrangement
      1. Analysis
         a. Sale theory: assignor-assignee relationship
         b. Debt theory: creditor-debtor relationship
         c. Ownership in common or tenancy in common
         d. Partnership or joint venture
         e. Trust
         f. Agency
      B. Economic Consequences of Characterization
         1. Borrower's Insolvency
            a. Set-off by the lead bank
            b. Set-off by the participant
            c. Entitlement to collateral and other collections
         2. Lead Bank's Insolvency
            a. Set-off by the borrower
            b. Set-off and other claims by the participant
         3. Participant's Insolvency
      C. Form of the Participation Agreement
         1. Oral Participation Agreements
         2. Written Participation Agreements
            a. Conclusion of the contract
            b. Precedence of documents
            c. Admissibility of extrinsic evidence
      D. Contents of the Participation Agreement:
         Contractual Rights and Duties
            1. Credit Information
               a. Allocation of the credit risk
            2. Initial and Subsequent Funding
               a. Initial funding
               b. Subsequent funding
               c. Failure to fund the loan
            3. Receipts, Collections, and Expenses
               a. Lead bank's duty to collect the loan
               b. Sharing and appropriation of collections
               c. Apportionment of costs and expenses
            4. Servicing the Loan
               a. The servicing function
               b. Termination of servicing
            5. Modifications and Waiver
            6. Default and Enforcement
            7. Risks and Standard of Care
            8. Assignment of the Loan
            9. Representations and Warranties
               a. Conditions precedent
10. Breach and Non-Performance
   a. Elevation 6.129
   b. Subrogation 6.130
11. Miscellaneous Provisions 6.131
12. Implied Terms
   a. Presumptions about participation agreements 6.133
   b. Fiduciary obligations 6.135
   c. Duty of good faith and fair dealing 6.136
   d. Duty to use reasonable care 6.140
   e. Observations 6.141

III. Participant-Borrower Relationship 6.142

IV. Participant-Participant Relationship 6.144

V. Conclusion 6.152

7. Loan Sub-participations: Legal Relationships Between the Lead Bank and Sub-participant, and Borrower and Sub-participant

I. Introduction 7.01
   A. Description of Sub-participation 7.03
      1. Funded Sub-participation 7.04
      2. Risk Sub-participation 7.05

II. Legal Relationships in Sub-participation Arrangement 7.06
   A. Legal Nature of a Sub-participation Arrangement 7.06
      1. The Lead Bank–Sub-participant Relationship 7.06
      2. The Sub-participant and the Borrower 7.10
   B. The Sub-participation Agreement 7.11
      1. Form of the Agreement 7.11
      2. Delivery of Documents 7.12
      3. Confidentiality 7.13
      4. Payment of the Sub-participation 7.14
      5. Distributions 7.15
         a. Distributions in cash 7.16
         b. Distributions not in cash 7.17
         c. Shortfall in distributions of interest or fees 7.18
         d. Contingent receipt of payment 7.19
      6. Representations and Warranties 7.20
         a. Representations and warranties by the lead bank and sub-participant 7.20
         b. Representations and warranties by the lead bank 7.21
         c. Exclusion of warranties and representations 7.22
      7. Confirmations by the Sub-participant 7.23
      8. Undertakings by the Lead Bank 7.24
      9. Administration of the Sub-participation 7.25

9. The Agent Bank in Syndicated Loans and Loan Participations 9.01

I. Introduction 9.04

II. General Approach to the Agent Bank’s Legal Status and Functions 9.06
  A. True Agent or Special Agent Debate 9.07
    1. Agent Bank as a True Agent 9.07
      a. True agent with fiduciary duties 9.07
      b. True agent disclaiming fiduciary duties 9.08
    2. Agent Bank as a Special Agent 9.09
  B. Analysis 9.10
    1. Meaning of the Word ‘Agent’ 9.11
    2. The Duties of the Agent Bank 9.12
3. The Authority of the Agent Bank 9.14
4. Observations 9.15

III. Contents of the Agency Clause 9.17
A. General Principles of Law 9.17
1. Duty to Exercise Due Care and Skill 9.18
2. Implied Duties—Fiduciary Duties 9.19
3. Authority of the Agent Bank 9.23
   a. Express actual authority 9.27
   b. Implied actual authority 9.28
B. Specific Aspects of the Agency Clause 9.32
   1. Appointment and Authorization 9.33
      a. Irrevocability of the appointment 9.35
      b. Delegation to the agent bank 9.36
   2. Duties of the Agent Bank 9.38
      a. Checking that the conditions precedent have been satisfied 9.41
      b. Receiving utilization requests 9.42
      c. Administering interest periods 9.43
      d. Administering interest rates and mandatory costs 9.44
      e. Dealing with market disruption events 9.45
      f. Administering foreign exchange transactions and multi-currency facilities 9.47
      g. Calculating limits for availability, tranches, fronting banks, and swinglines 9.48
      h. Calculating and requesting fees and general expenses 9.49
      i. Acting as a conduit for information 9.50
      j. Monitoring financial covenants 9.51
      k. Acting as a conduit for payments 9.52
      l. Checking certain types of information 9.53
      m. Transfers of lenders' commitments and changes to borrowers and guarantors 9.54
      n. Waivers, amendments, and consent 9.55
      o. Handling events of default and organizing banking meetings 9.56
   3. Protections Given to the Agent Bank 9.58
4. Conflict of Interests 9.63
5. Additional Remuneration 9.65
6. Use of Confidential Information 9.66
7. Reimbursement and Indemnification of the Agent 9.67
8. Termination and Replacement of the Agent Bank 9.69

IV. Conclusion 9.72
10. Syndicated Loans and Borrower Insolvency: Winding-up and Workout Procedures

I. Introduction
   A. Practical Considerations Concerning Insolvency Procedures
   B. Meaning of Insolvency
      1. Commercial Insolvency
      2. Balance-sheet Insolvency Test

II. Formal Statutory Insolvency Proceedings
   A. Winding-up or Liquidation
      1. Winding-up by the Court
      2. Voluntary Winding-up—a Brief Note
      3. Legal Consequences of Winding-up on Syndicated Loans
         a. Capacity to conduct winding-up proceedings
         b. Legal proceedings and enforcement of claims
         c. Disposition of property
         d. Completion of the agreement
         e. Obligations of the borrower
         f. The company’s business
         g. Management—appointment of the liquidator
         h. Distribution of assets
   B. Administrative Receivership—Limited Application

III. Rescue and Restructuring Methods and Procedures
   A. A Brief Comparison of English and US Law Procedures
   B. Administration
      1. Commencement of Administration
      2. Basic Mechanics of Administration
      3. Consequences of Administration Relevant to Syndicated Loans
   C. Company Voluntary Arrangement
      1. The Company Voluntary Arrangement Process
      2. Small Companies—a Note
   D. The London Approach
      1. Main Features of the London Approach
         a. Information gathering
         b. The standstill period
         c. Interbank issues
         d. Financial support
         e. Subsequent developments

IV. Conclusion
11. The Regulation of Syndicated Loans and the Secondary Loan Market Practices

I. Introduction

II. Regulation of Capital Adequacy
   A. Introducing Basel II
   B. Three Approaches to Measuring Credit Risk
      1. Standardized Approach
      2. Internal Ratings-based Approaches—Foundation and Advanced
   C. Calculation of Minimum Capital Requirements
      1. Regulatory Capital
      2. Risk Weighting
         a. Claims on sovereigns
         b. Claims on banks
         c. Claims on securities firms
         d. Claims on corporates
         e. Higher risk categories
         f. Off-balance sheet items
      3. Credit Risk Mitigation
         a. Collateralized transactions
         b. On-balance sheet netting
         c. Guarantees and credit derivatives
      4. Securitization Framework
   D. Regulating Capital Adequacy in the United Kingdom—Implementation of Basel II
