Part I Theory

Introduction..... 3

H. Bouwman, T. Haaker, and H. De Vos

1 Service Innovation and Business Models..... 9

H. Bouwman and E. Fiel

1.1 Services and Innovation: A First Positioning..... 9

1.2 The Importance of Service Innovation and Services R&D 11

1.3 Drivers and Trends for Service Innovation 14

1.4 A More Detailed View on Services..... 16

1.4.1 Types of Services 18

1.4.2 Electronic Services 20

1.5 Service Innovation 22

1.6 New Service Development and Design..... 24

1.7 From Service Innovation to Business Models..... 28

2 Conceptualizing the STOF Model..... 31

H. Bouwman, E. Faber, T. Haaker, B. Kijl, and M. De Reuver

2.1 Business Model Concept, Typologies and Components 31

2.1.1 Definitions 32

2.1.2 Classifications 34

2.1.3 Components..... 34

2.2 The STOF Business Model Domains 36

2.2.1 Service Domain 37

2.2.2 Technology Domain..... 46

2.2.3	Organization Domain	49
2.2.4	Finance Domain	58
2.3	From a Static Model to a Dynamic Model	64
2.3.1	Business Model Phases	64
2.3.2	External Forces.....	68
2.3.3	A Dynamic Business Model Framework	69
3	STOF Model: Critical Design Issues and Critical Success Factors 71	
	<i>H. Bouwman, E. Faber, E. Fielt, T. Haaker, and M. De Reuver</i>	
3.1	Designing the Business Models	71
3.1.1	Critical Design Issues.....	72
3.2	Critical Success Factors for Customer and Network Value	83
3.2.1	Creating Customer Value	83
3.2.2	Creating Network Value.....	85
4	The Mobile Context Explored	89
	<i>M. De Reuver, H. Bouwman, and T. De Koning</i>	
4.1	The Value of Mobility.....	89
4.2	Mobile Services.....	91
4.3	Mobile and Wireless Technology.....	94
4.3.1	Wireless Networks	94
4.3.2	Accessing the Mobile Internet.....	98
4.3.3	Devices	101
4.4	Organizational Arrangements.....	102
4.4.1	Roles in Mobile Value Networks	103
4.4.2	Governance Models.....	107
4.5	Financial Arrangements	109
4.5.1	Division of Costs, Investments and Revenues	109
4.5.2	End-User Tariffs.....	110
4.6	Typical Mobile Services Business Models	111
5	The STOF Method.....	115
	<i>H. De Vos and T. Haaker</i>	
5.1	Design Process	116
5.1.1	Step 1: Quick Scan	118
5.1.2	Step 2: Evaluation with CSFs.....	126
5.1.3	Step 3: Specification of CDIs.....	129
5.1.4	Step 4: Evaluation	132

5.2	Applying the STOF Method.....	133
5.2.1	Alternative Ways to Use the STOF Method.....	134
6	What's Next? Some Thoughts and a Research Agenda	137
	<i>H. Bouwman, E. Faber, T. Haaker, and R. Feenstra</i>	
6.1	Summary and Outlook	137
6.2	Practical Implications	139
6.2.1	Support Tools	139
6.2.2	Service Bundling and Service Composition.....	140
6.2.3	Business Models and Business Processes: Towards a Modeling Approach.....	141
6.3	Academic Implications.....	143
6.3.1	Business Models and the Testing of Core Concepts and Causal Models: Internal and External Validity	144
6.3.2	Validation of our Design Method.....	144
6.3.3	Business Models and Wind Tunneling: Predictive Validity.....	145
6.4	Introduction to Part II.....	146
 Part II Applications		
7	A Practitioner View on Generic Design Issues and Success Factors..	153
	<i>M. De Reuver and H. Bouwman</i>	
8	The Dynamic STOF Model in Practice.....	167
	<i>M. De Reuver and H. Bouwman</i>	
9	A We-Centric Service: The PolicePointer	179
	<i>M. De Reuver and M. Steen</i>	
10	Balancing Customer and Network Value of Mobile Payment Services.....	191
	<i>E. Faber and H. Bouwman</i>	
11	Robustness of IPTV Business Models	205
	<i>H. Bouwman, M. Zhengjia, P. Van Der Duin, and S. Limonard</i>	
12	Mobile Service Bundles	217
	<i>T. Haaker</i>	

13 Designing Mobile Remittance Services in Developing Countries	233
<i>H. Bouwman and J.-C. Sandy</i>	
14 Assessing the Business Potential for New Mobile Services from Mock-Up Evaluation	241
<i>T. Haaker and B. Kijl</i>	
15 A Standalone Digital Music Vending Service.....	253
<i>H. Bouwman, M. De Reuver, and H. Schipper</i>	
16 From Prototype to Exploitation: Mobile Services for Patients with Chronic Lower Back Pain	269
<i>E. Fiel, R. Huis In't Veld, and M. Vollenbroek-Hutten</i>	
17 From Prototype to Exploitation: Organizational Arrangements for a Personalized Dementia Directory	283
<i>H. De Vos, T. Haaker, and R.-M. Dröes</i>	
Abbreviations.....	297
References.....	301
Authors	323
Index	325
