CONTENTS

List of Illustrations	xi
Acknowledgments	xiii
Abbreviations	xvii
Prologue: A Phoenix State	xix
1. Phoenix States after Civil War: The Problem and the Argument	1
Post-Conflict Reconstruction is Crucial	2
Can Foreign Aid Help?	3
Phoenix States Challenge the Aid Curse	4
The Need for a Testable Argument	4
The Argument: Reconstruction Requires Incentives	5
Scope of the Book	6
Organization of the Book	7
2. Reconstruction Against All Odds	11
Power Consolidation Following Civil War	13
The Crucial Role of Income	15
Testable Implications	24
Alternative Explanations	26
Summary	28

3. Statistical Analysis of Post-Conflict Reconstruction	30
Testing the Nonstrategic-Desperation Hypothesis	32
Preliminary Analysis	37
Baseline Model	38
Main Results	40
Robustness	41
Summary	45
4. Statistical Analysis of Post-Conflict Coup Risk	47
Testing the Low-Windfall Coup-Proofing Hypothesis	48
Main Results	51
Robustness	55
Summary	56
5. Similar Background, Different Windfall: Mozambique and Angola	58
Civil War in Angola and Mozambique	61
Windfall Income in Angola versus Mozambique	63
Stonewalling versus Embracing Gatekeepers of Aid	65
Nonstrategic Donor Response	71
Differences in Who Pays for Post-Conflict Reconstruction	72
Post-Conflict Reconstruction in Angola versus Mozambique	74
Summary of Aid Effectiveness in Angola versus Mozambique	77
Power Consolidation in Angola	78
Power Consolidation in Mozambique	79
Alternative Explanations	84
Summary	97
6. Same Country, Change in Windfall: Uganda	99
Brief Background: Civil War in Uganda	101
Low Windfall	103
Satisfying Gatekeepers of Nonstrategic Aid	105
Nonstrategic Aid Increased	107
Post-Conflict Reconstruction	108
Power Consolidation	112
Striking it Rich: Newfound Natural Resources and Strategic Importance	117
Was it Good Leadership?	119
Summary	121

7. Improving Aid Effectiveness after Civil War	122
Supportive Cases	124
Exceptional Cases with Low Windfall	128
Exceptional Cases with High Windfall	130
Policies to Counteract the Windfall Curse	134
Future Research	144
Conclusion	147
Notes	149
Bibliography	163
Subject Index	191
