# CONTENTS

|  |             |
|--|-------------|
| <i>Contributors</i>  | <i>xi</i>   |
| <i>Editors' Introduction</i>   | <i>xiii</i> |
| <b>1. Behavioral Economics of Education: Progress and Possibilities</b>                    | <b>1</b>    |
| A.M. Lavecchia, H. Liu, P. Oreopoulos  |             |
| 1. Introduction  | 2           |
| 2. Barriers to Treating Education as Investment  | 5           |
| 3. Opportunities for Improvement   | 14          |
| 4. Policies and Programs to Address Behavioral Barriers                                    | 24          |
| 5. Conclusion  | 62          |
| Acknowledgments  | 63          |
| References   | 64          |
| <b>2. Education Research and Administrative Data</b>                                       | <b>75</b>   |
| D. Figlio, K. Karbownik, K.G. Salvanes   |             |
| 1. Introduction  | 76          |
| 2. The Benefits of Using Administrative Data in Education Research                         | 77          |
| 3. Case Studies  | 80          |
| 4. Challenges Associated With the Use of Administrative Data                               | 91          |
| 5. The Use of Administrative Data Around the World   | 95          |
| 6. Conclusions   | 123         |
| References   | 123         |
| <b>3. Charter Schools: A Survey of Research on Their Characteristics and Effectiveness</b> | <b>139</b>  |
| D. Epple, R. Romano, R. Zimmer   |             |
| 1. Introduction  | 140         |
| 2. What Is a Charter School?   | 141         |
| 3. Location and Clientele  | 144         |
| 4. Effectiveness of Charter Schools  | 169         |
| 5. Inside the Black Box  | 182         |
| 6. Competitive Effects   | 195         |
| 7. Summary and Conclusions   | 202         |
| Acknowledgments  | 203         |
| References   | 203         |

|  |            |
|--|------------|
| <b>4. Competition Among Schools: Traditional Public and Private Schools</b>                          | <b>209</b> |
| M. Urquiola  |            |
| 1. Introduction  | 210        |
| 2. A Simple Framework  | 212        |
| 3. The Evidence  | 218        |
| 4. Conclusion  | 232        |
| Acknowledgments  | 233        |
| References   | 233        |
| <b>5. Technology and Education: Computers, Software, and the Internet</b>                            | <b>239</b> |
| G. Bulman, R.W. Fairlie  |            |
| 1. Introduction  | 240        |
| 2. Technology Use in Schools   | 242        |
| 3. Technology Use at Home by Students  | 259        |
| 4. Conclusions   | 275        |
| References   | 276        |
| <b>6. Teacher Pensions</b>   | <b>281</b> |
| C. Koedel, M. Podgursky  |            |
| 1. Introduction  | 281        |
| 2. Background on Retirement Benefit Plans for Educators  | 283        |
| 3. Incentives for Educators  | 290        |
| 4. Pension Plan Financing  | 294        |
| 5. The Changing US Pension Landscape   | 298        |
| 6. Teacher Pensions in Other OECD Countries  | 299        |
| 7. Conclusion  | 300        |
| References   | 301        |
| <b>7. The Analysis of Field Choice in College and Graduate School: Determinants and Wage Effects</b> | <b>305</b> |
| J.G. Altonji, P. Arcidiacono, A. Maurel  |            |
| 1. Introduction  | 306        |
| 2. Descriptives  | 308        |
| 3. Model   | 333        |
| 4. Estimating the Return to College Majors   | 342        |
| 5. Choice of Major   | 372        |
| 6. Conclusion  | 390        |
| Appendix A: Distribution of Male and Female College Graduates by Field                               | 392        |
| Acknowledgments  | 392        |
| References   | 392        |

|  |            |
|--|------------|
| <b>8. Student Loans and Repayment: Theory, Evidence, and Policy</b>  | <b>397</b> |
| L. Lochner, A. Monge-Naranjo   |            |
| 1. Introduction  | 398        |
| 2. Trends  | 400        |
| 3. Current Student Loan Environment  | 411        |
| 4. Can College Students Borrow Enough?   | 420        |
| 5. Do Some Students Borrow Too Much?   | 424        |
| 6. Designing the Optimal Credit Program  | 433        |
| 7. Key Principles and Policy Guidance  | 465        |
| 8. Conclusions   | 472        |
| Acknowledgments  | 474        |
| References   | 474        |
| <br>   |            |
| <b>9. Government-Sponsored Vocational Education for Adults</b>   | <b>479</b> |
| B. McCall, J. Smith, C. Wunsch   |            |
| 1. Introduction  | 481        |
| 2. Theory: Provision   | 488        |
| 3. Theory: Participation in Training Programs  | 506        |
| 4. Methods for Evaluating Vocational Training Programs   | 509        |
| 5. United States   | 541        |
| 6. United Kingdom  | 557        |
| 7. Germany   | 572        |
| 8. France  | 586        |
| 9. Sweden  | 593        |
| 10. Denmark  | 609        |
| 11. Matching Participants to Training  | 619        |
| 12. Conclusion   | 632        |
| Acknowledgments  | 635        |
| References   | 635        |
| <br>   |            |
| <b>10. Improving Education Outcomes in Developing Countries: Evidence, Knowledge Gaps, and Policy Implications</b> | <b>653</b> |
| P. Glewwe, K. Muralidharan   |            |
| 1. Introduction  | 654        |
| 2. Trends in Education Outcomes, 1990 to 2014  | 656        |
| 3. Conceptual Issues   | 665        |
| 4. Review of the Evidence  | 673        |
| 5. Interpreting the Evidence, and Implications for Future Research   | 725        |
| 6. Conclusion  | 735        |
| Acknowledgments  | 736        |
| References   | 736        |
| <br>   |            |
