### Section 1  
Green Production and Application

**Chapter 1**  
Green Production and Green Supply Chain Governance Under Extended Producer Responsibility ..... 1  
*Xiukun Zhao, Tianjin University of Finance and Economics, China*  
*Xuanming Bai, Nankai University, China*  
*Xiaobing Lv, Nankai University, China*  
*Yongjian Li, Nankai University, China*

**Chapter 2**  
Assessment of Supply Chain Greenness: A Literature Review ......................................................... 27  
*Mete Han Topgul, Marmara University, Turkey*  
*Huseyin Selcuk Kilic, Marmara University, Turkey*  
*Gülşen Tuzkaya, Marmara University, Turkey*

**Chapter 3**  
Corporate Social Responsibility-Based Supplier Selection Process in Sustainable Supply Chains..... 54  
*Lei Xu, Tianjin University of Technology, China*  
*Xiaoran Shi, Tianjin University of Technology, China*  
*Yu Xie, Tianjin University of Technology, China*  
*Sang-Bing Tsai, University of Electronic Science and Technology of China (Zhongshan Institute), China & Nankai University, China*

**Chapter 4**  
Cleaner Production in the Brazilian Sucroenergy Sector................................................................. 72  
*Jéssica Patricia Corrêa Brunhara, University Center Toledo Araçatuba (UNITOLEDO), Brazil*  
*Rosana Pereira Corrêa, University Center Toledo Araçatuba (UNITOLEDO), Brazil*  
*Sergio Ricardo Mazini, University Center Toledo Araçatuba (UNITOLEDO), Brazil*
Chapter 5
Sensitization of Sustainable Manufacturing Strategies to Benefit Indian SMEs
                  ................................................. 92
  Vimal Kek, Sri Venkateswara College of Engineering, India
  Jayakrishna Kandasamy, VIT University, India

Section 2
Green Environment and Management

Chapter 6
Green Environment and Management: Environmental Management System (EMS)  ..................... 100
  Fatma Ince, Mersin University, Turkey

Chapter 7
A Research of the Influence on the Consumer Behavior From CSR Information Embedded in the
Process of Online Purchasing ........................................................................................................ 117
  Li Yu, Qilu University of Technology, China & Shandong University, China
  Sang-Bing Tsai, University of Electronic Science and Technology of China (Zhongshan Institute), China & Civil Aviation University of China, China
  Dakai Li, Shandong University of Finance and Economics, China
  Limei Teng, Beijing Normal University, China
  Guodong Li, Civil Aviation University of China, China

Chapter 8
Decision Models and Governance Mechanisms Considering Corporate Social Irresponsibility in
Supply Chains .................................................................................................................................... 135
  Bin Liu, Shanghai Maritime University, China
  Pepei Ying, Shanghai Maritime University, China
  Lin Peng, Shanghai Maritime University, China

Chapter 9
Opportunities and Challenges for Sustainable Business Strategic Planning in Small and Medium
Enterprises (SMEs) ........................................................................................................................ 153
  Mauricio Quintero-Angel, Universidad Santiago de Cali, Colombia
  Claudia C Peña-Montoya, Universidad Autónoma de Occidente, Colombia
  Carlos Hernán Fajardo-Toro, Universidad EAN, Colombia
  Andres Aguilera-Castillo, Universidad EAN, Colombia

Chapter 10
Green Innovation in the Absence of Social Trust: A Case Study of MengNiu Dairy  ..................... 168
  Li-Chung Chang, University of Electronic Science and Technology of China (Zhongshan Institute), China
  Wei Li, University of Electronic Science and Technology of China (Zhongshan Institute), China
  Yu Wu, Changsha University of Science and Technology, China
  Sang-Bing Tsai, University of Electronic Science and Technology of China (Zhongshan Institute), China
Section 3
Sustainability and Management

Chapter 11
Green Entrepreneurship in Transitional Economies: Breaking Through the Constraints of Legitimacy ................................. 184
  Yang Gao, Dalian University of Technology, China
  Sang-Bing Tsai, Foshan University, China & Dalian University of Technology, China
  Shuo Zhang, Dalian University of Technology, China
  Guodong Li, Civil Aviation University of China, China

Chapter 12
Improving Renewable Energy Source in Automotive Applications: Evaluation, Analysis, and Design ................................................................. 210
  Wei Liu, University of Sydney, Australia
  Hongbo Shi, Harbin Institute of Technology, China
  Hailing Ma, Jinggangshan University, China
  Sang-Bing Tsai, University of Electronic Science and Technology of China (Zhongshan Institute), China & Civil Aviation University of China, China

Chapter 13
Risk Implications of Heavy Metal Contamination in Agricultural Soil and Crop Productivity ........ 238
  Archana, M. J. P. Rohilkhand University, India
  Ajai Kumar Jaitly, M. J. P. Rohilkhand University, India

Chapter 14
Four Strategic Postures for Sustainability in the Project-Based Organization .................... 259
  Gilbert Silvius, LOI University of Applied Sciences, The Netherlands
  Ron Schipper, Van Aetsveld, The Netherlands

Conclusion ........................................................................................................ 281

Compilation of References ............................................................................. 283

About the Contributors .................................................................................... 318

Index .................................................................................................................. 323
